

**Baldwin Yearbook Is Distributed To Subscribers**

Autographing the 47 Piper seemed to be chief diversion of Baldwin students last Thursday when more than 850 copies were distributed to subscribers and advertisers during the extended homeroom periods and after school.

Those working on distribution were sales manager John Anderson and staff members Jeanne Lange, Pat Mullin, Marilyn Black, Dick Stoll, Nat Knight, and Ellen Van Wagener, assisted by 40 members of the senior class. Throughout the history of the Piper, sales staffs have consistently oversold the enrollment of the school. Birmingham is probably the only school in the country of which this is true, it is believed.

**4 Wins, 6 Losses Is Season Record Of Baseball Team**

By Jim Mildebrandt  
Closing his season on the unhappy note of two consecutive losses, one to Mt. Clemens and the other to Port Huron, Birmingham's baseball nine found itself with a record of four victories against six defeats.

Bill Robertson, Darrell Kelley and Hampton Wagner finished at the top of the batting line when Robertson gathered a triple in one of his two trips to bat. Kelley connected safely three of his seven trips to the plate, and Wagner hit most consistently for the regulars with six safeties in fifteen times at bat.

**Honorary Captain**  
Al Monroy and Chester Murren finished the season with records of two victories and three defeats for Monroy, and one victory and three defeats for Murren.

This does not accurately show either pitcher's capability as Monroy struck out twelve batters in the last Mt. Clemens game only to lose 10-0 on his teammates' sine regeis selfish.  
Bill Kindley, Maple left fielder, was elected honorary captain of the squad due to his fine early season hitting and base running which proved the downfall of the Port Huron team earlier this year.

**Birmingham Boys Draw Up League Council Plans**

By Doc Plant  
Five Birmingham boys drew up an interschool constitution which was submitted June 3 to a group from six neighboring high schools meeting at Ferndale to form an interschool conference council of the Eastern Michigan League.  
This council, to be composed of Birmingham, Mt. Clemens, East Detroit, Hazel Park, and Port Huron high schools, is formed with the idea of promoting better relations among the members schools, it was explained.  
Those on the committee from Birmingham were Dick Adams, chairman, and Austin Jones, Fred Mandler, Doc Plant and Jim Mildebrandt.  
Adams and Jones attended the final meeting at Ferndale.  
Birmingham is also a member of the state-wide Class A and High School Conference.

**Wayne Relays Won by Ecourse Squad; Maples Place 2nd**

By Jerry Neff  
Muddled ability again boosted the Maple track squad as it scored second with 28 1/20 points at the Wayne Relays held Monday at Denby High School in Detroit.

The sorry expense of alop which the judges discovered to be a track, forced an opportunity for broken records as mud splattered competitors from the four competing classes. The results of these final tallies: Ecourse, 33 1/2; River Rouge, 20 5/8; Wayne, 21 1/4.

Jim Anderson capped the only first for Birmingham by leading five feet, eight inches, in the high jump while Chuck Murray tied for second and Stan Smith was one of four trying for fourth.

**Win Second Place**  
In the first of the two running events the 330 meter of Dick Murray, Chuck Murray, Bob Folin and Jac Phister captured second, following Ecourse's state champion (four which was clocked in 1:39.0).

The mile medley quartet of Phister, Jack Goodwin, Bob Folin and Pete Abrecht seemed bothered by the poor track and slowed to a crawl after leading in the first leg of the race.

Dick Groves, Joe Bowen and Len Daly, the Maroon shot put trio, showed the Maroons as the colored star took first place with a heave of 45 feet, 6 1/2 inches. The Maroons followed in order for the remaining three places.

**Meet Finishes Season**  
It was past dinner time when the class B broad jump got underway. Chuck Murray consistently made jumps of 20 feet, two inches, but failed to score a win as Rodgers and Rodgers of Ecourse snared the first two places at 20 feet, 10 inches. The Maroons followed in order for the remaining three places.

This meet finishes the team's season except for the mile relay quartet of Jac Phister, Duane Murphy, Jack McBride and Chuck Murray, who will journey to London for the Western Ontario relays next Saturday.

See you next week, Annie.
