Firetone Tires have been on the winning cars in the Indianapolis Sweepstakes. The same patented and exclusive construction fea-tures, which make these tires so safe, so strong, so wear-defying on the speedway, are also built into the Firestone De Luxe Champion Tires which protect your life on the highway. You and extra mileage at a big saving in cost because your used tires are worth *More* at Firestone. We are worth more at pressione, we need more used tires for re-treading. So we are offering highest prices for the unused mileage in your present tires when you trade them in on new Firestone De Liuxe. Champions, the only tires made that are salety-proved on the speedway for your protection on the high-way. Easy terms, if you desire.
