Talked to a Census Taker Recently? If Not, Send in the Blank Below
If you've already been counted by the census taker, you don't have to read this, but if you haven't, then you'll want to know that the special federal census of Oakland County is almost complete, and only a few scattered families and individuals remain to be counted.

CENSUS REPORT
The U. S. Bureau of the Census is completing its special census of Oakland county. It is important that the census include all of the people who were living here on Jan. 28, 1947, the official date of the census. If you were living here on this date and believe that you were not enumerated for the census, please call the census supervisor.
