Play-Off Parings Determined for City Cage League

In the final games of the regulation YMCA city basketball league, the Rotarians of Birmingham determined the play-off parings for the City Cage League.

Rotary Club could not break away from Lions Club and had to be satisfied with a 20-23 verdict. The Lions defense dogged Rotary throughout and they had trouble with shot under the basket. However, superior height payed.

Blatman and Joyce dropped in lay-up shots during the overtime to place the red and silver ahead as the final seconds ticked off. Rotary Club could not break away from Lions Club and had to be satisfied with a 20-23 verdict.

Members of the Southern Community Boy Scout and their parents will gather next Monday night, March 24, to hold and hear Corporal L. Coykendall of the Michigan State Police Department in a demonstration to the Scouts about the proper use of firearms, using live ammunition.

Host at the gathering is Scout Troop B-5, and the meeting will be held at the Quorton School, at 7:30 P. M.

This will mark Corp. Coykendall's second appearance in Birmingham as a firearm demonstration.

Scouts are requested to make reservations through their scoutmasters.
