Symphony Plans Rehearsals for Wednesday Eves

A group of enthusiastic musicians from Royal Oak and the vicinity gathered two weeks ago in the band room of the Royal Oak High School to organize a group of amateur and past professional musicians into the Oakland County Symphony Orchestra.

Among those who agreed it was a fine plan was Derk van Emmelbik, first oboist with the Detroit symphony, and he has agreed to direct the organization every Wednesday when they meet at the high school.

The group was organized for members who are interested in music and would be interested in attending rehearsals on Wednesday evenings from 7:30 p.m. to 10:00 o'clock, and participate simply for the joy of playing.

Additional before an audition board is necessary before acceptance to the group is certain, and anyone in the Birmingham vicinity interested, may contact the group by calling either Clark Eastham of Royal Oak or Mrs. Irene Peterson, also of Royal Oak, or by attending a Wednesday night rehearsal.

Daeschner Family Hears News from 3 Sons This Week

News in the Daeschner family of Bervyn road came thick and fast this last week, when Dick arrived home for a leave, Jack left for Yokohama, and Bill wrote from Purdue that he was among the several hundred students at Purdue University who were on the bleachers the night of the Purdue-Wisconsin game.

When the Daeschner's received a telegram the day after the tragic crash of the bleachers, they guessed that Bill had been involved, but his letter the next day reported that although he had been in the crash, when he started falling, he threw his legs up in the air and so came out uninjured. His letter stated that it was the most horrible experience he had ever been through, and that after he had hit the floor he looked up to see students jumping and falling from the 60-foot high bleachers.

Dick Daeschner arrived home last Saturday from Fort Sam Houston, Texas, to be here until next Sunday. He's enroute to Camp Klimer, N. J., and is scheduled for overseas duty.

Just left for his overseas duty after two months at Camp Stoneham, Calif., is a third member of the family, Jack, who is with the Quartermaster Corps.
