WALNUT LAKE SCHOOL NEWSLETTER

Dear Pam,
The turkey dinner Mrs. Marjorie Soule gave for the benefit of the Junior Big Club Saturday night went off quite well as we could see as waitresses. Wondering where all the people came from were Barbara and Janet Thorne, Barb Wilson, Patty Kemp, and Beverly and Barbara Stridner. Many parents helped in the preparation.
After serving dinners, the gang rode over to Carsy's where Joan and North were giving a party. The kids danced, and believe it or not, had water fights with trick rings.
Since it won't be long until spring and graduation, I would like to have you meet the members of the eighth grade who will graduate this year in Barnum Junior High. First a dark-haired, brown-eyed girl who is small enough to fit into your vest pocket. Her name is Patricia Ann Kemp, although she is better known as Patty, and she is the daughter of Mr. and Mrs. Edward Kemp, 2173 Walnut Lake road. She likes parties and nail polish, while her pet peeve is "cheesy" looking girls. Here are a few favorites of Patty's. Food: hot fudge sundae—movie star: Tyrone Power—subject in school: science, and she would like to take chemistry in high school—sports: swimming, in fact we call her the "fish."
Patty's ambition is to be a librarian. She has lived at Walnut Lake for nine years and attended all her grades at Walnut Lake School.
Next week we'll reveal the personality of Jack Wallace.

Russian Travelogue to Be Shown at Assembly Tomorrow

"Inside Russia," a travelogue depicting conditions in Russia, will be presented tomorrow in Baldwin auditorium.
Prior to the assembly, students from Mrs. Anne Luehr's third and seventh hour international relations classes will take home-coming and outline the similarities of government and party of Russia as compared with those of the United States.
Students outlining the similarities will be Lloyd Appel, James Carson, Bill Eustis, Ruth Kadell, Knight Houghton, and Bill Shalberg.
The film was made by Charles Stuart, an American engineer. Narration will be made by Norman Brokshire.

'Where West Begins' Judged Most Popular

Admission dimes to be used in purchasing paintings for the school were collected from 640 students at the annual Great Masters Exhibit at Baldwin last week.
"Where the West Begins," a reproduction of an oil painting by Wood, received most votes of students in a popularity poll, but final selection of pictures to be purchased will be made at a meeting of English teachers soon.

Baldwin Girls Model Latest Fashions in Show at Community House Yesterday

Sophisticated spring styles were modeled by Birmingham teenagers yesterday at the Community House in a fashion show sponsored by the Kay Baum Shop to raise money for the new Woodward General Hospital Fund.
On the ramp Nancy Holmes, Sylvia Robbins, Pat Hemstead, Lora Thurston, Betty Tharda, Gretta Senhoun, Susan Mack, Janice Thomas, Marilyn Black, Virginia Reinhart, Sue Hestretter, Patty Davis, Joan Newnam, Natalie Knight and Young Engel modeled and back-stepped to display the newest in spring fashions.
Modeling the very latest in bathing suits were Nancy Holmes and Joan Newnam. Sylvia Robbins, Pat Hemstead, Janice Thomas and Betty Tharda brought applause in "dandy" cutaway and ripple-back suits.
New to Birminghamites was the smartly tailored black gabardine slacks worn with a white lacy blouse modeled by Lora Thurston. Graceful afternoon frocks of rayon jersey, pure silk and linen were shown by Betty Tharda, Knight, Susan Mack, Sue Hestretter and Young Engel.
Straps, bouffant skirted frocks with voluminous trim, and new cotton formals were worn by Gretta Senhoun, Patty Davis and Marilyn Black, while Virginia Reinhart showed the ballet length evening dress.

Adams School Elects New Council Officers

Installation of newly elected student officers of the Adams School student council took place at a school assembly last week. Polly Vliet will act as president. John Kraft as vice president, Kay Pomeroy as secretary and Joanne Wagner as treasurer.
Mrs. S. O. Rue and Miss Marjorie M. Votey will continue as teacher advisors.
The new officers of the Service Squad are Ann Borchert, captain, Susan L. Haldans, Ruth Wall and Sara Reed, lieutenants. They took office at the same time as the student council officers, as did Theodore O. Schwarz, II, Roger Johnson and Thad K. Ketchum, who were elected captain and lieutenants, respectively, of the Safety Patrol.
Two parties were given honoring the retiring safety groups. Mrs. Rue and Miss Votey, sponsored the girls at a dinner followed by games and square dancing, while Mrs. Rhoda Denmore, sponsor of the Safety Patrol honored her group at dinner. Howard Summers and Patricia Kemp were in charge of games.
Assisting Miss Denmore were Miss Votey and the two girl members of the Safety Patrol, Kathleen Berry and Sallie Edmonds.

Joint Committee Preparing Plans for Control Day

Student control of the city, accepted by the city and school administration, will soon become an actuality.
Plans are being made by a joint committee from the Student Congress and the civics classes for election of the various municipal offices. Because the seniors have studied government, they will elect classmates to assume the duties of the city affairs.
A vigorous publicity campaign is being planned, including an assembly and class questionnaires, to interest students in government and at the same time give them an insight into the government of which they will be a part.
Students elected will spend extra time over that of regular classes in studying the duties of the offices.
Serving as co-advisers from Student Congress and civics classes are Mrs. Carol Darling and Mrs. Ann Luehr.
