

Maples Drop 1st League Game to Ferndale, 9-3

In their first encounter in league competition, Birmingham's baseball team came out on the short end of a 9-3 score, while the golf team dropped their initial match by 14-4 1/2; but the day was brightened as the track team smashed to a 15-26 victory over Fort Rucker and the tennis squad triumphed over Ferndale, 4-3.

The Maples swept all of the field events and exhibited hidden strength in the distances to overcome their lack of power in the dashes.

Bob Littleton set a new Pierce field record in the 110-yard hurdles, previously held by Dick Hopkins and Doc Watson, when he was clocked in 14.6.

Relying upon their three-doubles combination, the Maple squaddies succeeded in winning their first meet from Ferndale since the two schools have been competing in tennis.

Coach Hal Helmer's diamond nine continued to show their offensive strength by gathering 28 hits, including two doubles.

New Fashion Shop Opened This Week

The Marguery, Inc., Birmingham's newest fashion shop at 250 N. Woodward, had its official opening Monday. While plans had been made by Mr. and Mrs. Charles Kern, owners, to open much sooner, due to building difficulties, they were unable until now to open their shop.

The Marguery, Inc., will carry a line of casuals, plus better designer's clothes.

Kern, coming recently from a managerial capacity at Saks Fifth Avenue, Detroit, plans to make this the first in a series of kindred shops in like communities in Michigan. Both Mr. and Mrs. Kern believe that there is a definite need for small smart shops in suburban communities.

Parking facilities for persons wishing to stop at the Marguery have been arranged at the side of the building.

Telephone Strike Hampers Current Campaign of SCF

Members of the Save the Children Federation, Birmingham and Bloomfield Hills branch, met Friday at the home of Mrs. Rudolf E. Esch, president of the local group, to hear the results of the contributions committee and to plan for the Carl Miles Benefit Tea, scheduled for late in May.

The Birmingham branch of SCF has raised \$718 of the \$1,000 goal toward which it is aiming in order to adopt schools in Finland, Poland, Holland and France.

Mrs. Philip H. Pretz of Wing Lake, chairman of that committee, reported that other contributions have been promised, but due to the telephone strike the goal has not yet been met.

The benefit tea, to be given in the home of Carl Miles, Swedish-born sculptor now living in Academy road at Cranbrook, will be under the chairmanship of Mrs. Walter Ross, assisted by Mrs. Winton I. Kelly and a committee of SCF members, including Mrs. Albert Reibling and Mrs. Dudley M. Blakely.

Knave Children's Pleik Milles, who recently returned from a trip to his native Sweden, knows intimately of the plight of the children in the war-torn countries, as well as the suffering of the many child-refugees now sheltered in Sweden. Work being carried on in Sweden to assist those children through funds donated by the SCF. This tea is only one of many efforts on his part to bring the knowledge of the stricken children's desperate need to the attention of American citizens.
