Oakland County RED CROSS NEWS

Mrs. L. L. Northrup, chairman of nutrition of the Oakland County Chapter, American Red Cross, states that the month of April showed progress in the nutrition work carried on by the chapter nutrition worker in Oakdale Gardens. Organization of work was carried on for a leaders' training class which has already begun.

Fifty-six leaders, one from each street in Oakdale gardens, have been selected to receive instruction in special nutrition. Leaders will in turn instruct their neighbors. Sixty home visits have been made and four block meetings have been held, all of these educational in nature.

Sponsored by the Oakland County Chapter, American Red Cross and directed by a special Red Cross representative, a class for water safety instructors is in progress this week at Pontiac High School Pool. The class is directed by William Isaacson, who is responsible for organizing and supervising Red Cross first aid, water safety and accident prevention in Michigan chapters.

Isaacson has been a member of the staff at National Red Cross Aquatic Schools and was also assistant director of safety service in the Detroit chapter.

Twenty-five prospective instructors are attending the class, which if successfully completing the course, will be authorized to teach Red Cross water safety in Oakland County.

To Speak to Club

Mrs. Edwin F. Kirbert will address the 'Y' Business Girls' Club Thursday evening, May 15, on the subject of "Etiquette." The group will meet in the 'Y' officers and be under the direction of Dorothy Perkins, club president.

Mrs. Kirbert is a graduate of the University of Cincinnati and Western College for Women. She has had extensive experience with youth groups. 8
