Want to Run a "Collective" Farm?

reading the other day about ollective" farms they have in a countries. It seems the folks un them have plenty of help ood hours . . . and the best

squipment.

Sounds pretty nice—till you
learn that the "farmer" doen't. Tarking may produce results. But
our sense. He takes orders from the
state; produces whatever they
want him to produce, at prices they
place to live. So let's not change it! state; produces whatever they want him to produce, at prices they set. Even his off-hours are spent according to state regulations. No, that would never go here.
