

Cunningham Heads Internal Auditors

The Institute of Internal Auditors, Inc. Monday morning elected Earl H. Cunningham, general auditor of General Motors Corporation, as president for the coming year at the opening business session of its two-day conference, being held at the Statler hotel in Detroit.

Cunningham, who lives at 688 S. Bates street, is a charter member of the organization and has served as vice-president, director, chairman of the educational committee, member of the research committee, and past president of the Detroit chapter. He is a graduate of Portland University and of the degrees of B.C.S. and M.C.S., and had several years of public accounting and university teaching experience before joining General Motors Corporation as a Senior Traveling Auditor in 1926.

He served successively as Supervising Auditor and Assistant General Auditor before his appointment as General Auditor of the Corporation in 1943.

Cunningham is a Certified Public Accountant of the States of Maine, Indiana and Ohio, a member of the American Institute of Accountants, and of the American Accounting Association, and author of several articles on internal auditing and staff training.

Richard L. Burlingame of Bonire Brian is among the 27 University of Michigan students who have been awarded "Bomber Scholarships." The scholarships, of \$100 each, are given to veteran students only, according to an announcement made by Dean Erich A. Walter, chairman of the scholarship committee.

The name was derived from a war-time effort of U. of M. students to raise sufficient funds to purchase an army bomber. The money was raised in 1942 and in later war years student groups gave a part of the receipts of campus activities to be set aside as a special fund for those young men who would be returning to the campus after the war.

Burlingame is married and has one child. He is the son of Mr. and Mrs. H. S. Burlingame of Bonire Brian. During the war he served as navigator on one of the Air Corps' big planes in the Pacific theatre of war, being overseas about one year. He returned to the States in November, 1945, and at the time of his discharge held the rank of second lieutenant.

Pack B-8 Cubs Plan Dad-Lad Hike For This Saturday

Fall cubbing activities for boys in Pack B-8, Adams School, have started with a bang. The first pack meeting for Cubs and their parents was held in the school gymnasium, Tuesday night, Oct. 14. This Saturday afternoon the second Dad-Lad hike will be held, with Cubs and their fathers assembling at the school to leave for a secret destination at 9 a. m.

The opening pack meeting saw all dens assembled for the first time. Cubmaster John Chapman and Pack Committee Chairman Forrest R. Hubert introduced officials who will guide the group this year and outlined the program of events which will keep the Cubs busy through next June.

Pack officials include Robert S. Owen, assistant cubmaster, in charge of den chiefs; T. Hollister, Mabley, assistant cubmaster; Mrs.

E. F. Johnson, pack mother; W. L. Story, pack dad; William E. Koch, secretary; Joel Riley, treasurer; Harry E. Stahl, assistant chairman; Robert G. Sillax, publications chairman; Norman B. Weston, ceremonials chairman; and E. K. Leavenworth, handicraft chairman.

Den mothers this year are Mrs. Helen Kennell, Mrs. Augusta Weir, Mrs. Dorothy Simpson, Mrs. A. S. Douglas, Mrs. Maude Masterton, Mrs. Leona Beauty, Mrs. Mabel Knotts, Mrs. Elizabeth Sneed and Mrs. Mary Cory. The Dad-Lad hike will be held in a wooded section near the city and will culminate in a series of games and a council fire. Assistant Cubmaster Mabley and Hubert are serving as co-chairmen of the event. A committee of fathers is assisting in planning the affair.

Pack B-8, largest in the county, is starting with 11 new Cubs this fall.

Strictly Fresh

RICHMOND, Va., fire alarm boxes were painted with leaded red stain that stays wet a month. Firemen wanted to catch false alarmers red-handed.

An East St. Louis diver rescued a man's false teeth from the bottom of the Mississippi River. The feat enabled him to put the bite on the man for \$75.

A survey discloses that 90 per cent of Mississippi farmhouses don't have running water. Until the leaves go, that is.

A 14-year-old boy competing against 4-H girls won first prize in cookie baking at the Monroe County, N. Y., fair. At his age, that certainly takes the cake.

A Detroit got 30 days on the Hoop of Correction peach harvest crew for drunken driving. Things could have been worse, with a sentence on the rock gang instead of the freestones.

THE 1,000,000th BENDIX WASHER

Answers 4 Important Questions

1 What is the **THRIFTIEST** way to get clothes cleanest?

Use a small amount of soap in a small amount of hot water so there'll be enough hot water left to give the clothes a thorough rinsing. That's how the Bendix works. And that's how the 1,000,000 Bendix Washers now in use are piling up big savings for their happy owners.

2 What is the **SAFEST** way to get clothes cleanest?

The same way you wash your daintiest garments... by "dunking" them gently in and out of the suds. And that's exactly how 1,000,000 Bendix Washers are making clothes last longer. For in the Bendix, clothes are gently tumbled—hundreds of times—in and out of the suds. No agitating wear and tear... no rubbing, scrubbing and twisting.

3 What's the **EASIEST** way to get clothes cleanest?

In ten whole years of trouble-free service, the Bendix automatic Washer has saved more hard work for more housewives than any other washer in the world. Just put in the clothes, set the dial, add soap... and you're through. The Bendix thoroughly washes, rinses and damp-dries the clothes... automatically... even when you're not in the house.

4 How can I be **SURE** the Bendix is the best?

One of the million lucky Bendix owners is a neighbor of yours. So you don't have to take our word for it. Just ask her what a wonderful washing job her Bendix does... how thrifty it is... and what a wonderful life it is with all the work of washing done for her automatically.
