Maples, Vikings Clash Tomorrow

By Geo. Burdick

Two teams of apparently equal strength will clash at Pierce Field tomorrow night when Birmingham meets Hazel Park in the annual Dads' Day game in which each hopes to chalk up a victory.

The players' dads will sit on the sidelines with their sons, being introduced at half time over the public address system.

The Hazel Park Vikings have to date the same record as Birmingham with three losses and one tie. The Parkers have fallen to Pontiac, Highland Park and Royal Oak, and tied their league game with East Detroit at 6-6.

The Vikings are sparked by their hard driving captain, Tom Taylor, one of their two returning lettermen. Like the Maples, Hazel Park is green and inexperienced. The Vikings average 165 pounds in weight.

Last year the Parkers invited the Maples to play them in the dedication and homecoming game when the new lighted football field was inaugurated. Birmingham won, 6-0.

The Navy uses motion picture color photography for color comparisons and persistence of smoke munitions to make studies of the development of flashes and to study the volume and color of gun muzzle smoke formation.
