Birmingham CAR Chapter Will Be Formed Here Soon

The first meeting of the Birmingham Chapter of the Children of the American Revolution will be held next Thursday afternoon at 2 o'clock at the home of Janet McLeese, 4916 Brookdale road. This is the child's organization of the D. A. R., which is being organized here now.

Any child whose parents are eligible for membership in either the Daughters of the American Revolution or the Sons of the American Revolution, may become a member. It is not necessary that either parent be actively affiliated with the adult groups, however.

Mrs. Hugh D. McLeese has been named organizing chairman for Birmingham. She asks that anyone in or near Birmingham, who knows of a child eligible for membership, contact her at once.

The meetings will be planned in such a way that they will not cut into the busy school schedule of the average youngsters. The programs will be arranged to have an instructional value as well as to furnish interesting entertainment for the members, and will include some historical and patriotic instruction, some philanthropic work and a great deal of purely social activity.
