

Tennis Club Tourney Finished Last Week

The Birmingham Tennis Club's closed tournament finished last week with the finals of the men's singles being played off in this division. Wayne Smith took the championship from Leon Bramley, defeating him by the scores of 6-0, 6-3. This match was much closer than the score indicates, with Bramley forcing Smith to extend himself for every point.

Theodore Roosevelt was the first United States President to go below the surface of the sea in a U. S. Navy submarine.

Lectures Tonight

Barton Rees Pogue

The Board of Education of the First Methodist Church will open its third annual "School of Life and Religion" tonight at 8 p. m. In keeping with the schools of other years, the program will present a variety of themes on vital subjects related to life and religion.

Barton Rees Pogue, who is better known as the Hostler Post through his W.L.W. Radio Programs will be tonight's lecturer. His theme will be "The Lifter of Laughter." The public is cordially invited to share in the program. Subsequent lectures will be presented by Dr. Norman Vincent Peale on Thursday night, October 30, Dr. Marshall R. Reed on November 20 and Dr. Frank Slutz on January 29.

"Urragally" will be the subject of the Lesson-Sermon on all Christian Science churches throughout the world on Sunday, October 6.
The Golden Text (Psalm 87: 5, 6): "The hills melted like wax at the presence of the Lord, at the presence of the Lord of the whole earth. The heavens declare his righteousness, and all the people see his glory."
Among the Bible citations is this passage: (Psalm 17:14): "Wait, O Lord; he is of good courage, and he shall strengthen thine heart: wait, I say, on the Lord."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include the following: (117) "Every trial of our faith in God makes us stronger. The more difficult seems the material condition to be overcome by Spirit, the stronger should be our faith, and our love."

How many Edison Services do YOU use?

Most everyone knows that Detroit Edison will replace a burned-out fuse. But many people aren't aware of the other services Edison offers residence customers.

You can, for instance, exchange burned-out lamp-bulbs from your house for new; your new bulbs need not even be the same size as the old ones. You can also exchange a worn-out appliance cord for a fresh one.

Edison will repair the operating parts of electric ranges, water heaters and of many small household electric appliances, irons, toasters—and so on.

A consulting service to aid householders in the use of electricity is also available. This includes advice on using electric ranges to the best advantage; also advice on freezing, canning and preserving and recipes for special dishes. Home Service Advisors will be glad to help you adapt the latest ideas in home lighting to your particular needs.

There's no charge for these special services, except where new repair parts are needed. Just call your nearest Edison office.

The DETROIT EDISON Co.

New Instructor

Mrs. Betty Burroughs, 1111 Yonemier, has been added to the staff of the Cooperative Nursery School at Christ Church Cranbrook. It was announced this week. Mrs. Burroughs will aid Mrs. J. Henderson Barry, 460 W. Maple, who supervised the school during the summer months.

Lack of iodine in the soil is associated with the prevalence of goiter.

No. 59,951
