Mildred Burke, 31-year-old Los Angeles lady wrestler, gives Bill Wolfe something to groan about with a step-over-top hold as she demonstrates how she grossed \$25,000 last year by wrestling three to four times a week. But at right she's just like any other, pert housewife, getting her husband's dinner. She's married to Billy Wolfe, former Y. M. C. A. physical education instructor in their home town, Kansas City, Mo. He saw her possibilities, became her manager and husband. The Bill Wolfe in the picture is her stepson.
