

A&P HELPS KEEP YOUR FOOD BILLS DOWN

NO FOOD STORE HAS MORE LOW PRICES... MORE DAYS A WEEK!

It's highly important to us to keep our customers' food bills down because, after all, that's what keeps them coming back to A&P. And we believe that the best way to do it is not by marking a few items down one or two days a week and other items up the rest of the week, but by featuring low prices on items after item, day after day. That's always been A&P's policy... a policy we're able to follow, even in the face of today's soaring food costs, because we cut operating expenses and profits to the bone and pass our savings on to you. Come in and get your share today!

It's a Milestone, Partner!

REACHING ACROSS the wide shiny hood of their 100,000th automobile, a new Kaiser Custom, Joseph W. Frazier, left, shakes hands with his partner, Henry J. Kaiser. Over 10,000 employees watched the ceremony in the Willow Run plant and the same day presented their bonuses with a new production record. The 100,000th car was built exactly 15 months and 25 days from the time the No. 1 car was completed. K-F is averaging between 900 and 900 cars a day.
