Yes, I'm Guilty!

Folks sometimes criticize us small-town editors for the way we often play up "little things" ahead of big . . . human, local news in place of world events,

"Little things?" Maybe. But-from where I sit, they add up to the

bigger things we call America: The friendliness of small towns . . . the bigger things we call America: The friendliness of small towns . . . the helping hand . . . the respect for ne another's zights. And above all the love of fellowship and freedom— whether it's freedom to speak one's mind or choose between a glass of mind or choose bety beer or buttermilk.

I figure that if everybody looks after the "little things," maybe the bigger things will take care of themselves.
