THEY KEEP THEM In Their Desks

HAVE you ever wondered on special occasions at the promptness with which some persons send Greeting Cards? They remember, and send them to you so immediately that it seems hardly possible they could have selected an appropriate Greeting Card so quickly.

They didn't! They keep them in their desks.

Many of our customers choose Greeting Cards for different occasions, doing so at their leisure, and then already have them at hand when the opportunity arises to wish a happy birthday, to send congratulations to proud young parents, to cheer a friend who is ill—or the many other occasions which calls for the prompt thoughtfulness of Greeting Cards.

The completeness of our Greeting Card section makes it a pleasure to choose a "home assortment" that is just right!
