We All Need Fun!

Nobody in Our Town is exactly lazy (even though Pete Swanson's missus claims he sleeps till seven A.M.). But the hardest working man of all is Doc Hollister—on man of all is Doc Hollister-call, morning, noon and night.

Funny thing, Doe's favorite pre-scription to his patients is: You ought to have fun. The pace of modern living, even on the farm, demands some relaxation.

And as Doc says—fun is a per-sonal thing. For the missus it may mean a movie or a good book; for Dad, a mellow and refreshing glass

of beer; and for the kids, parchees or the radio. Doesn't mean every-bady has to like the same thing— sollong as they relax, have fun, to-gether, in the home.

Doc doesn't have much time him-self. After a hard day, he'll relax before the fire with a glass of beer —and wait for the phone to ring again. And from where I sit, Dos deserves each well-earned minute
