A fine car made finer

# Lasts long... and lasts well

records prove that no car lasts longer than The records prove that no car lasts longer than a Pontiac—but this is only half the story! For Pontiac continues, throughout the years, to render fine performance—to give its owner the same thrill be felt when he first took the wheel. Owners who have driven their Pontiacs for five, seven, and even ten years will restify that their cars still give complete satisfaction in every way. For Pontiac is a GOOD car—designed and built to stay on the job. This is a basic Pontiac

virtue—and is true of Pontiac year after year. So regardless of when you expect to get your next car, get a Pontiac. It will not only last long -it will last well!

DUE TO OUR UNFILLED ORDERS ON HAND, you may experience some delay in getting a new Pontiac. Place your order now to avoid further delay. In the meantime, let us keep your present car operating at top efficiency.
