You may think, as life's storms beat about you these days, that all the sun and beauty have fled from the earth. But this need not be so—for from the cold blasts of every winter lovely Spring and Summer come.

DIRECTIONS FOR VOTING ON THE VOTING MACHINES

1st. Move the Red Handle to the right and leave it there.

2nd. To vote for Candidates for City Offices turn down the pointer over the name of the candidate for whom you wish to vote.

3rd. To cast your ballot for the Amendments to the City Charter or Oakland County Question No. 1—if you wish to Vote in Favor of any Amendment or Question turn the pointer down over the word "Yes". If you wish to Vote Against any Amendment or Question turn the pointer down over the word "No".

4th. To vote on Propositions or Question appearing in first row near top of the machine—only owners of property in Birmingham (or their spouse) may vote on Propositions 1, 2 and 3; only owners of property in Oakland County (or their spouse) may vote on Oakland County Question No. 2. If you have properly qualified in your application to the Election Board you may vote in favor of any of the above by turning pointer down over the word "Yes", or if you wish to vote against any of the above turn the pointer down over the word "No". Should either pointer fail to respond, notify the Inspector **before leaving the booth.**

5th. Move the Red Handle to the left.

To Vote a Sticker Candidate: Write or place name of candidate of your choice in slide bearing corresponding number provided above office to be voted.

As no votes are registered until the curtain lever is moved to open the curtain, you can make as many changes as you desire while the curtain lever is at the right side. The machine is so arranged that you can turn down only the proper number of pointers for each office, you cannot spoil your ballot by voting for too many candidates. In a grouped office to which more than one candidate is elected, you can turn down the exact number of pointers, but no more. Each candidate's pointer is located just above the name; a pointer must be turned down over the name of each candidate for whom you wish to vote. Leave pointers down. No one will know how you have voted because the movement of the curtain lever returns the voted pointers to the unvoted position before the curtain begins to open.

The above reproduction of the Instruction Ballot made available through the Birmingham Chamber of Commerce as a public service.
