**Baldwin Students Participate in
Semi-Annual EMCSG Conference**

Using the theme "Education for Peace", the Eastern Michigan Congress of Student Governments met at Mt. Clemens High School in regular semi-annual session. In line with the conference theme, Paul Harris, Jr., addressed the congress and gave his views on world conditions.
Harris stated that real peace will not come in our lifetime as "the absence of war does not necessarily bring peace" and "we can have peace only when we have good natured people working and relaxing together for the general improvement of all".
Because only five schools of the conference have ratified the constitution and two of these have done so with certain revisions, Jerry Yates, Birmingham, was appointed chairman of a committee which will revise the present constitution.

MY FATHER'S WORLD

Can the God who rules the vastness of the universe be concerned about me and my little problems and perplexities? And can He help me?
He can and will! He whose power and wisdom could create a universe great enough to house the sun, the moon, and the stars will be able to raise protecting walls of love around our little lives!

Jesus often pointed to the hand of His Father in the individual lives of His Christians. He said, "Your Father knoweth the things ye have need of."

Have you found this to be your Father's world? He who made the atom, and who spins the planets on their courses with His finger, has become your Father. Through faith in Christ, we are privileged to become God's children and to find comfort, courage, and strength in the knowledge that this is our Father's world!

This message is brought to the citizens of this community as a public service by the members of Redeemer Lutheran Church, 1800 West Maple Ave.

**YOUR RUGS
need cleaning,
too!**

The two main reasons why your dentist advises you to have your teeth cleaned regularly are health . . . and beauty. Those are the same reasons why your floor coverings should be cleaned regularly. Only clean rugs are beautiful . . . only clean rugs are healthful . . . only clean rugs are beautiful (especially important when children play on them). Besides, clean rugs wear better and last longer. Send your rugs to Star today—Star-cleaning has been Michigan's Best for 55 years!

TIP as to what's TOPS

POLLS seem to be the thing these days—so why not make your own?

Just bend a private car to what's being said all around you—and you'll get a dozen tips a day as to what's tops in cars this season.

"My dear," one gal tells another, "it's even smarter *inside!* Everybody says it's the best-looking car on the road, but just wait till you sit in it!"

"And it's so easy to drive! I never thought a big car . . ."

"I'm telling you, Jim," you'll hear a man say, "Get a car that's big enough!"

"There's just no substitute for enough roadweight—especially

with that Buick power plant to give you the get-up-and-go you want."

"Listen!" says another. "Here's the first car where I've really been comfortable! We pack the whole crowd—in kids and all—and those big three-person seats give 'em all the wiggle-room they want—and *still* let me handle the wheel in comfort!"

Then you may overhear a very, very bubbly individual who's driving a Dynaflow[®] Buick.

"Nothing like it," he says. "Nothing like it ever before. Don't ask me how it works, I'm no engineer—but it's the silkiest, smoothest, slickest thing I ever laid hands on—and I've driven 'em all!"

"Why, I went up Ft. George hill the other day—slowed to a dead-stop halfway up—held 'er there—picked up—went over the top accelerating
