Sheik Pays Visit to Birmingham

Sheik Bisharat Pasha, a Christian Arab nobleman of Cairo, Egypt, was a recent Birmingham visitor. Pictured with George B. Sherman, president of Sherman Products, Inc., at the company's Fourteen Mile road plant, the Sheik is learning about American production and machinery at the local farm demonstration factory.

The Sheik is a house guest of H. Dale Rue, formerly of Birmingham, at his Detroit residence. Rue, assistant sales manager of Sherman Products, met and was entertained by the Sheik in Cairo. He is now returning to his home.

While in Birmingham, the Sheik and a group of Sherman associates were entertained at the Birmingham Golf and Country Club by W. J. Walstrom, vice-president of the Sherman organization.

Gregor is the former Margery Mackay of Royal Oak.

Mr. and Mrs. James Nunneley of Birmingham late announce the birth of a daughter, Deborah Lee, born April 16 at Harper Hospital, Detroit. Mrs. Nunneley is the former Mary Gilbert.

Mr. and Mrs. Brad Patterson of Washington, D.C., announce the birth of a son, Bruce DeBos, on March 23. The Pattersons formerly resided in Birmingham.

A girl was born April 26 to Mr. and Mrs. T. J. Mazik of Amador. Mrs. Mazik is the former Peggy Hadjisky of Birmingham.

## BIRTHS

## To Straighten Road

City commissioners Monday evening took the necessary steps to straighten Abbey road where it enters Adams. This measure was requested by adjoining property owners.

At the present time, Abbey enters Adams on a slight curve toward the north.

## Pollicott PATTEN

By Kay Knowlton

Mother's Day—second Sunday in May—is almost upon us, and it's time to start thinking about a gift for Mother. The Kincaid Jewellers have opened a new store at 213 W. Maple, where you will find it a real pleasure to shop. You'll find Mother's Day gifts at the price you want to pay, from a copper handle snuffler that has an early American air of its own, to beautiful bracelet watches. We consider the Elgin American compact set that includes one for daytime wear, one for afternoon, and one for evening—all made to harmonize with her fashion of the hour.

When Mr. Craig of Craig Appliances, Inc., 112 S. Woodward, told me several weeks ago that I simply could not get along without a Dishmaster, I thought he was kidding. But since my Dishmaster has been installed I've found it's the greatest boon to housekeeping yet. The Dishmaster can be installed on any standard sink, in place of the faucets, to give you fingertip control of hot sudsy water for washing and clear water for rinsing. All you do is switch the dishes with a nylon brush and the dishes are done in less time than it takes to stack them. It's worth a cool million and costs only \$37.50.

I really envy people who have youngsters small enough to want new tricycles this spring. Next to Santa Claus, getting a new "bike" is the best thing going. I'd suggest you go to Bazaar Bike Shop, 339 S. Woodward and get a Thunderbolt Tricycle, as there is no substitute for top quality in a toy of this kind. The Thunderbolt is made to stand the gaff for season after season. And remember that Bazaar's Bike Shop is the place to have your washing machine or big bike repaired—they can even fix a "Whizzer" motor bike if yours is out of kilter.

Every good housekeeper knows that having pillows cleaned and renovated is an important part of spring cleaning. Pillows gather dust and germs, you know, and that's why you should send your pillows to Royal Mattress and Upholsting Co., 2233 Woodward, Perdue, to have them steam cleaned and renovated. The cost is reasonable, as low as \$2 a pair. Royal Mattress will also re-cover your pillows, necessary for sanitary, and add enough down to make them fluffy as new. Just call Royal 945 5748 or LL 2-4006, for pick up and delivery service.

You readers who love unusual jewelry should stop at the Old Lantern Shop, 151 S. Woodward and see Grace Haven's Originals—The Old costume pieces you dream about. Miss Haven, who is very talented along these lines, hand works jewelry from antique silver, and her results are simply stunning. They are pins made from handles of old tea sets, serving dishes, bracelets made from the tops of mugs, and earrings made from the feet of silver tea pots. I know all this sounds simply fantastic, but when you wear the jewelry, you'll agree it's just about perfect.
