

To Participate in Ping-Pong Tourney

Representing the local YMCA in the Metropolitan Detroit Ping Pong tournament will be Bobbie Jackson in the Gra-Y class, Paul Phillips in the Jr. H-Y group, and Ronald Israel contesting in the Senior H-Y bracket.

All boys have swept aside local opposition in an elimination tournament to represent their respective divisions. In the recent Easter holiday tournament, Bobbie Jackson placed first over all contestants and should finish high in his class.

Play in the first round starts Saturday afternoon at the Hanman Memorial YMCA in Detroit and continues until division championships are determined.

The boys will be accompanied to Detroit by Ed Kirbert, the local 'Y' secretary.

Among those boys trekking north for the lamp season will be Thomas Bell, 219 Elm street; Nicholas Esder, 2747 Manchester; Albert, John, and Leo Butzel, 912 Westwood; and Richard Griffith, 2234 Pine street; Richard Hall, 1900 Bates street; Robert Machus, 1031 Madison avenue; Thomas McNaughton, 2265 Yorkshire road; Stephen Stubbs, 1088 Oxford drive; Arbie, Donald, and Richard Thaddeker, 1011 Westwood avenue; Charles and Donald Weir, 175 N. Adams road; William Waters, 630 Henley drive; Donald Chaffee, 312 Pleasant avenue; and Quincy and Thomas Crater, 291 Waddington road.

Pack B-8 Cubs Will Stage Circus Friday

The circus is coming to town! Members of Pack B-8, Cub Scouts, will stage a circus in the gymnasium of Adams school Friday at 7:30, complete with roaring lions, clowns, hot dogs, soft drinks, and even the familiar chant of the hawkers.

The promise the circus will be bigger than ever as it features an Indian Pow-Wow, a group of tumblers, some champion boxers (the public is assured these are not dogs), "Kid Beauty" and his animal act and several other features. Preston Weir, Sr., heads the committee of Den Dads who have helped the boys plan their big-top performance.

A. S. Douglas will act as ringmaster and the best acts presented will be richly rewarded. The programs have been prepared under the direction of W. S. Story. The circus will be open to the public.

Radio to Broaden Benefits of Classes

The Educator Radios, installed at Pierce School a few weeks ago, are being used daily and are now proving their worth many times over, according to faculty members there. Operating on both AM and FM bands, they are used to broadcast educational programs of current interest in classes.

In addition, Pierce School is transcribing suitable programs on the "sound mirror" and tape recorder so they may be heard at later dates and serve class members times over a period of months.
