Dr. Slutz Keynotes Family Week at Methodist Church

The beginning of National Family Week at the First Methodist Church will feature two addresses by Dr. Frank Slutz, noted educator and speaker of Dayton, Ohio. At the 11:00 o'clock worship service, Dr. Slutz will speak on "The Fourth Dimension In Family Life". At the 6:30 vesper hour his topic will be "The Democracy of the Christian Family".

Dr. Slutz is well known in Birmingham. He has spoken here on numerous occasions and delivered the commencement address last January. He holds degrees from Harvard, the University of Denver and Mt. Union College. He has been associated with educational work throughout his entire career as a teacher, principal, superintendent, lecturer, conference leader and counselor.

Dr. Slutz is a great student of the Bible and has been a regular contributor to several church school publications, and conducts a Sunday school class in one of Dayton's largest churches.

First Methodist Church cordially invites its friends to begin Family Week by attending these services and hearing this authority on family life.

Presbyterian Groups to Sponsor Program for Young People

Westwhirs and Westkirkmen of the Presbyterian church will sponsor a program entitled, "New Life in Your Home" for the junior high youth of the church and their parents. This program is in observance of National Family Week and will be held May 2 at 6:30 p.m.

The meeting will begin with a family potluck supper. There will be a period of hymn singing around the piano; a motion picture entitled, "You and Your Family"; and a talk on "New Life in Your Home" by the Rev. George L. Rentschler, assistant pastor of the church.

On May 9, the Westwhirs will sponsor a tea for the junior high young people and their mothers.

Will Teach School In Holland, Mich.

Geraldine Uppleger, daughter of Mr. and Mrs. Melvin E. Uppleger, 847 Emmons ave., and a senior at Hope College, will teach in the Holland (Mich.) elementary grades next year, it was announced today by Prof. Garrett Vanderborgh, head of the Hope College department of education.

Miss Uppleger is a graduate of Baldwin high school, of the class of 1944. At Hope College she has been a member of Delta Phi sorority. She has also served as President of A. D. D., a women's service organization for athletics, and has been a member of the executive board of the Women's Athletic Association.

Chester and Willetta
Sunday service—11 a.m.
Sunday School—11 a.m.
Wednesday Meeting—8 p.m.
"Everlasting Punishment" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, May 2.
The Golden Text (Psalms 34: 21, 22) is: "Evil shall slay the wicked: and they that hate the righteous shall be desolate. The Lord redeemeth the soul of his servants: and none of them that trust in him shall be desolate."

Among the Bible citations is this passage, (Romans 6:16): "Know ye not, that to whom ye yield yourselves servants to obey, his servants ye are to whom ye obey; whether of sin unto death, or of obedience unto righteousness?"

Correlative passage to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, include the following, (p. 242): "Let Truth uncover and destroy error in God's own way, and let human justice pattern the divine. Sin will receive its just penalty, both for what it is and for what it does."

Christian Temple
295 S. Woodward
Rev. Marion L. Pastor, Director
Rev. Willis Sayer, Pastor
10:00 a. m.—Morning Worship and Communion.

NEWS COPY that is submitted early for publication each week is necessarily given preference over late items. The "early bird" gets the space.

Christian Science Lecture Tuesday

Earl E. Simms, C. S., of Austin, Tex., will deliver a free lecture on Christian Science entitled, "Christian Science: Following Christ", at 8 p.m. Tuesday, May 4, in the Baldwin High school auditorium.

This lecture is under the auspices of The First Church of Christ, Scientist, of Birmingham. The lecturer is a member of the board of lectureship of The Mother Church, The First Church of Christ, Scientist in Boston, Mass.

BORNE By the Burden

A biologist tells how he watched an ant carrying a piece of straw. The ant came to a crack in the ground which was too big for it to cross. It stood still for a time, as though perplexed by the situation, then put the straw across the crack and walked over on the straw.

We often speak of the burdens we have to bear. But have we ever thought of converting them into bridges, of having our burdens bear US up instead of us bearing THEM up?

The Apostle learned to look upon his affliction as a part of God's gracious will for him, and he said: "Most gladly will I glory in my infirmities, that the power of Christ may rest upon me."

Everyone who believes that Jesus is his Saviour can convert his burdens into bridges. To know Christ is to know the love of God, and to know God's love is to be assured of eternal fellowship with Him throughout the endless ages. In the light of that assurance no burden can depress!

This message is brought to the citizens of this community as a public service by the members of Redeemer Lutheran Church, 1800 West Maple Avenue.

White sidewall tires, an illustrated, available at extra cost.

TAKE a clear day—a Dynaflow Buick—and a mind open to new experiences.

Turn the key in the lock—press down the gas treadle—and set this mighty Fireball straight-eight purring. *Now:*

Flick the selector lever till the pointer indicates "D"—that's for driving. Feed a little gas—and see what happens.

Smoothly, you slip away from the curb. Silkily you build up momentum. Effortlessly you cruise at whatever pace your treadle toe selects.

Look! you say. *A stop light! What do I do?*

Nothing special. Let up on the gas. Apply the foot brake as you need it.

That all? Won't the engine stall? Don't I shift?

That's all. Your engine won't stall. You don't shift. Just sit there till the coast is clear. Then step on it. Step hard and you're off like a rabbit. Step lightly, and you ease smoothly away.

What's happening? you want to know. *What's doing the shifting? Some mechanical hand under the floor boards?*

Not in this car, sir. Oil does it all—spinning oil. Oil whirling to give you starting surge—power build-up—efficient cruising—engine braking effect on hills.

Oil that does everything the usual low, second and high gears do—without any gearshifting on your part—and without the slightest break in your stride except when you want it.

Say no more! I'm sold! Where do I sign up?

There's only one place. Only Buick has Dynaflow Drive, and no other American car has anything like it. With or without a car to trade, better see your Buick dealer first minute you can.

Tune in HENRY J. TAYLOR, Mutual Network, Mondays and Fridays

What's Different About DYNAFLOW DRIVE*?

To an efficient new pump (left below), Buick engineers have added a true turbine (right) and an ingenious new supercharging assembly (in hand) which produce a torque-boosting action in starting and accelerating. The result is the first device on any American passenger car which employs liquid to fill the function of both the clutch and the usual low, second and high gears. The clutch pedal is eliminated and a simple control gives you manual selection of power ranges and direction.

*Optional at extra cost on Roadmaster models only.

When better automobiles are built BUICK will build them

BUICK alone has all these features

★ DYNAFLOW DRIVE (Optional on Roadmaster Series) ★ HI-POISED FIREBALL POWER ★ FLEX-FIT OIL RINGS ★ TAPER-THRU STYLING (Roadmaster) ★ SAFETY-RIDE RIMS ★ ROAD-RITE BALANCE ★ RIGID TORQUE-TUBE ★ VIBRA-SHIELDED RIDE ★ QUADRUFLEX COIL SPRINGING ★ DUOMATIC SPARK ADVANCE ★ SOUND-SORBER TOP LINING (Roadmaster) ★ TEN SMART MODELS ★ BODY BY FISHER
