New Hospital Will Integrate 2 Other Plans

Previous proposals that would have meant two hospita for the Birmingham area would be consolidated into or with the construction of a new 200-bed structure with the aid of monies obtained through the Greater Detroit Hopital Fund, it was announced this week.

James W. Webber, Jr., fund president, said Sunda that features originally intended for the Bloomfield Hill Medical Center and Woodward General Hospital are epected to be incorporated in plans for the new hospita Funds already in hand or committed for the two previous projects will be used to supplement the \$3,500,000 fun allocated to a single project of the 14 included in the fund allocated to a single project of the 14 included in the fund
