

Motion Pictures Of Ohio-Michigan Game to be Seen

A special fall party for the evening of Dec. 14 out at Forest Lake Country Club is being planned by the University of Michigan Alumni Club of Birmingham.

Motion pictures of the Ohio State-Michigan football game will be shown with Vic Heylinger of the coaching staff on hand to point out the highlights. Also, several members of Michigan's championship football squad are to be guests of the club.

There will be old-time Michigan songs, refreshments and some

special entertainers from the Ann Arbor campus.

We Heard It Said By:
Fire Chief V. W. Griffith: "Light bulbs are dangerous. People should watch them more closely. Only a few days ago we were called to a home when an un-shaded light bulb, hung too near some beaver board, started a fire in a basement. Bulbs should never be allowed to touch material which has not been fire-proofed. This is especially true at this time of year when packages in thin tissue wrappings are being stored in closets, and when lights are being placed near trees or other Christmas decorations. Be careful and have a happy holiday, not a tragic one."

Here's How Maples Scored The Second Touchdown

—Great Lakes Camera Photo
Seems impossible, but Bob Littleton twisted out of the arms of this unidentified Royal Oak safety man in the third quarter to continue on down the field in a 35-yard run that netted the second and final Birmingham touchdown.

A portable electric washing machine, 20 inches high and weighing 28 pounds, is available for apartment dwellers. It is designed to wash four pounds dry weight in 15 minutes.
