Methodist Church Building Fund Surpasses \$80,000

At the regular monthly board meeting of the Methodist Church congregation held last week, the pastor, Rev. E. F. ... announced that the congregation had passed an important goal of \$80,000 in cash in their crusade for a new building. The fund now registers total cash receipts of \$80,219. This amount represents consistent week-by-week contributions.

The Building Council, with William Dale as chairman, is continuing its study of architecture and plans for submission to the congregation in the not too distant future. Wylie Groves is the fund treasurer. John E. Martz presided over the meeting.

How well do you know your own home?

How many electric motors are there in your home? And how many electric heating appliances do you have?

When you check the list below, perhaps you'll find that you've underestimated the electrical equipment that keeps your home pleasant and comfortable.

Our records show that customers are using more and more current in their homes—our production of electricity is at record-breaking heights, far greater even than when war plants worked round the clock. But that increased use of current means that—for a few more pennies a week—you get household tasks done in less time—with less effort—and for less money than in any other way.

Check your electrical equipment against this list...

Motors: Sewing machine, refrigerator, washing machine, clock, razor, record player, furnace fan, electric tools, ventilating fan, ironer, vacuum cleaner, kitchen mixer, dishwasher, vibrator, sander or oil burner, electrical toys, home freezer.

Heating Appliances: Toaster, heating pad, electric blanket, range, water heater, roaster, space heater, bottle warmer, hand iron, mangle, coffee maker, waffle iron, bun warmer, curling iron, grill, tea kettle, heat lamp.

(Figures show that the average Edison customer has more than five of these.)

Lutheran Church Plans 3 Mid Week Lenten Services

The Rev. Theodore Wuggazer, M.A., pastor of the Lutheran Church of the Redeemer, will present a series of three Sunday morning Lenten sermons on the theme: "The Cross Destroys." The subjects are: Feb. 22, "The Cross Destroys Indifference." Feb. 29: "The Cross Destroys Selfishness." March 7: "The Cross Destroys False Religion."

The services will begin at 11 o'clock, and visitors are welcome to join the congregation in worship.
