To better serve their many friends and customers, THE KINCAID'S Jewelers have moved to 206 National Bank Building, and Kincaid asked me to let all you teen-agers know that the shop will still carry plenty of distinctive gifts. Kincaid's has always specialized in excellent watch and jewelry repair work, and you can entrust your finest watch to their repair department. So if you have an earring that's bent or the chain on a brooch that's a grinding gave you is broken, The Kincaids can make it right in a jiffy.

During this Lenten season we'll be making frequent trips to the Wisconsin Cheese Mart on Woodward Ave. just South of 14 Mile Rd. When this shop opened some months ago, we predicted that the business would be a success because most people like fine cheese. But we never dreamed that it would become one of the most popular shopping spots on Greater Woodward Avenue. One of the reasons for this, in addition to the wonderful line of cheeses, the shop now has rye and pumpernickel bread straight from Milwaukee, and such things as Polish dill pickles and Milwaukee made sausages that are delicious.

Did you know that one of our better shops right here in Birmingham handled the famous V'SOSKE hand woven, custom designed carpeting? Wieland's Fine Furniture, 423 N. Woodward, tell me that V'SOSKE will make up special carpets to fit the contour of any room in the design of your choice and will match any color samples. Wieland's will also show you the finest complete lines of decorative carpets in a wide range of colors. The store also has Flaxtex, that is perfect for sunroom and recreation rooms. It provides long wearing qualities with a maximum of good looks.

We sincerely hope that this week marks a real break in the long hard winter, when most of us have been using the fireplace much of the time. If your fireplace fixtures look the worse for wear after that constant usage, you can have them refinished, to look like new, at Brass Unlimited, Woodward Avenue at 14-Mile Road. When your fixtures have been buffed, polished and covered with a hard lacquer, to give them a real "new look" you'll be proud to have them on your hearth year after year.

Now that the snow is going away to say (we hope) it's time to think about marbles, kites, bikes, and above all, tricycles for the young 'uns. I always maintain that wheel toys of fine quality will last longer and give more years of real service if you buy the best available. That's why I can recommend "Thunderbolt" tricycles from Baugh's Bike Shop, 341 S. Woodward, that have been marked down from \$29.95 to \$24.95 for one week only. Baugh's winter sale includes all bicycle tires—a fine chance for the kids to get their bikes ready for spring.

I noticed in the Eccentric last week that F. & J. Mackay, Woodward Ave. at 14-Mile Rd. are again offering Armour's Star spring lamb chops at 66¢ per lb. It made me recall that we purchased one of these lambs at F. & J. last year for storage in our locker and it was simply wonderful. Until you've enjoyed double thick lamb chops from a top quality trier (broiled) you just haven't lived. F. & J. are also offering Armour's Star Prime and Choice side of beef at 59¢ a pound, which is one sure way to save on your food budget today. Phone 2468 for delivery.

Girls Basketball Tournament Play Starts Last Week With Two Games

A basketball tournament for the six girls' clubs in Baldwin got well under way last week as two teams were knocked out of the running for top honors.

Sapphire Club got to a good start, leading Tara 2-4 at halftime but was unable to retain the early lead when Tara, paced by Mary Ann Rainey with 13 points, scored consistently in the second half to emerge victorious, 18-11.

In a last game, Emerald Key was eliminated by an accurate C.T.A. group 35-14. C.T.A. led from the start. Audrey Engel with 14 points and Sally Scott with 12 were high scorers for C.T.A. Emerald led Emerald Key with six points.

Two Teams Draw Eyes
Tri-A and Y-Teen drew eyes in last week's games and will be arrayed against each other in the semi-finals March 2.

Playing for the Sapphire Club were Joan Newman, Lois Burton, Lois Davison, Marian Monroy, Beverly Brennan, Ann Lundberg, and Norma Lee Kaas.

Tara members were Marilyn Blauman, Peggy McPhail, Sherrill Williams, Phyllis Morse, Joan Heinert, Kerrs McKay, Ginny Schaffer, Carolyn Abbot, Mary Ann Rainey, Evelyn Horne, Margaret Erwin and Sue Herby.

Winning for C.T.A. were Audrey Engel, Julie Harrigan, Sally Scott, Mary Gilchrist, Mary Stricker, Carol Peterson, Mary Kemp, Sally Roseberry, Evelyn Loeding, Barbara Hughes and Patty Davis.

On Emerald Key's team were Marian Adams, Ginny Hood, Judith Fardoe, Carolyn McDonald, Janet Lockrow, Beverly Yates, Shirley King, Peg Baldwin, Elizabeth Hanna and Gerry Woolley.

With Bill Downey pouring in 18 points, the Birmingham reserve quintet steamrolled the Mt. Clemens Bathers for the second time this season, 50-20, last week in the Bathers' gym.

Effectively using the fast break, the Maple attack clicked from the start, and the Bathers had rolled up an impressive 20-10 lead at the half.

In the second half they continued their torrid pace while holding the Bathers to ten points, eight of which were scored by Captain Jim Prussel. This victory is the seventh consecutive win for the reserves.

Out only half the season, Downey took the game's scoring honors with his 18 tallies. Prussel was high point man for the Bathers with 11 markers.

Free Ride For You—on the Freedom Train!

We had a real thrill in Our Town the other day—when the Freedom Train stopped by!

You've heard about it, of course—an actual train that's touring the country to remind us again what true Democracy means. It carries such Americana as the Declaration of Independence, the Bill of Rights, and other immortal documents that guarantee every citizen his liberty.

A great idea! And from where I sit, we're all riding along with that Freedom Train—right now—by living in a country that protects our individual liberties—whether they apply to our right to vote, to choose our church, to speak our minds, or to enjoy a glass of beer with friends!

Only living in—why've got to prove ourselves worthy of the ride... by guarding zealously against whatever forces of intolerance encroach upon our American concepts of live-and-let-live, in a free and strong Democracy!

NO! GREYHOUND FARES ARE DOWN!...

Back in the depression year of 1933 shopping was easy on your pocketbook when you purchased food and many other commodities. Today most prices have gone sky-high but not Greyhound fares. They're lower today than they were in 1933 despite increased costs of new buses, terminals, tires, gasoline, and operating overhead. Now, as never before, you travel in luxurious comfort and save more by Greyhound.

FUTURAMIC OLDSMOBILE

LEADING THE WAY INTO A NEW GOLDEN ERA...

Oldsmobile, America's oldest motor car manufacturer, is now the first to mark its Golden Anniversary. In celebration, Oldsmobile announces an entirely new and greatly advanced 1948 model—the FUTURAMIC OLDSMOBILE.

For 1948... The Big News Is The New Olds! A brand new Oldsmobile "98" is here today! It's the first of the Futuramic cars... introducing the first of the eagerly awaited new "postwar" Bodies by Fisher. It's Oldsmobile's Golden Anniversary model—and carries to a new high the Oldsmobile tradition of smartness!

When you see this Futuramic Oldsmobile, you'll realize what important news it brings. There's style news in its clean, flowing Futuramic lines—its modern simplicity inside and out. There's safety news in the greater visibility provided by the new, low hood design curved windshield, and extra size windows.

There's welcome news for passengers, too, in the lower, wider, roomier Futuramic body. And there's good news underneath the hood—a new high-compression head which adds extra horsepower to Oldsmobile's famous 8-cylinder engine.

Naturally, this brand new 1948 model offers Oldsmobile's fully proved Futuramic feature—GM Hydra-Matic Drive. Here's driving at its ultra-modern best. No clutch pushing—no gear shifting—just "step on the gas and go!" You go smoothly, comfortably... with thrilling performance... the Futuramic, Hydra-Matic way.

See the Futuramic Oldsmobile "98"—the colorful new Dynamic Oldsmobile "60" and "70"—on display in our showroom.
