 "Christ Jesus" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, February 29.

The Golden Text (Psalms 42:2) says: "Thou art fairer than the children of men; grace is poured into thy lips; therefore God hath blessed thee for ever."

Among the Bible citations in this passage, Luke 7:21: "Then Jesus answering said unto them, Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached, to the poor the consolative passages to be read from Sunday, February 29."

The Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, includes the following (p. 473): "Jesus is the name of the man who, more than all other men, has presented Christ, the true idea of God, healing the sick and the sinning and destroying the power of death."

Scouts Invited to Barnum Pool for Swim Instruction

"Every Scout a Swimmer" is a slogan which every leader hopes will come true. Fortunately, in this part of the country it is not necessary to wait for summer in order to learn swimming and life-saving.

Because of the cooperation between the Detroit Area Scout Council and the Birmingham Board of Education, a number of local Boy Scouts enjoy the advantage of instruction in swimming and life-saving.

Under the direction of Mark Smith, 1039 Floyd, and S. Bradford Kempton, 19380 Beverly road, about 35 Birmingham Scouts receive instruction every Tuesday evening between 7 and 9 o'clock. "We can accommodate almost double the number of boys presently in the class," Smith said Monday, "and I urge any scout who would like swimming instruction, or is interested in obtaining a life saving merit badge, to come to the pool any Tuesday evening and we will work him into the schedule."
