Plan Exhibit at Community House

Pupils of Mrs. Paul Schaffer's various art classes will hold their annual tea and exhibit Saturday afternoon at the Community House.

This annual affair was started some time ago by the Saturday morning class in order that their

parents and friends might have the opportunity of viewing their work collectively and seeing where it had been done. Gradually the idea spread until now there are exhibitors from each of the four classes Mrs. Schaffer conducts. The originators of the idea, however, still act as hosts for the event.

This class is made up of beginners, youngsters who have had but 16 weeks of training. Their hangings will include pencil drawings, water colors and crayon work.

Others who will have work exhibited from this group are Harvey Swift, Helen and Martha Mangle, Bob Thomson, Larry LeGros, Betty Wright and Kay Davis. Older members of the Saturday group are Judy LeMessurier, Paula McDonald, Kenneth Peterson, Dick Shave, Catherine Bemis, Tom Tiede and Joanne Schmidt.

The Brush Holders, Inc. a group of young people who began their studies last October, have rendered their sections of the exhibit around oil paintings.

Working in pencil, oil and water color, the Danbers Club will also have several pictures on display. The public is cordially invited to attend the exhibit.
