Baptist Missionary Group Met Thursday

Members of the Woman's Union of the First Baptist Church met Thursday evening, their session with the White Cross work at 10:30. The luncheon at 12:30 was served under the direction of the Estelle Martin Circle. Mrs. Virgil L. Lockrow was chairman and was assisted by Mrs. Raymond Smith, Mrs. W. W. Smith, Mrs. George A. Jackson, Mrs. E. J. Busman, Mrs. Stewart Smith, Mrs. M. W. Olsen and Mrs. S. H. Knipfing.

Conducted by Mrs. G. A. Jackson, president, and was followed by the ritual of bringing of love gifts, the over-and-above gifts and the furtherance of the 1947-48 Baptist program of world evangelism. The next regular meeting will be held Feb. 5.

Joins Honor Society

Frank C. Wangberg was initiated into the Western Michigan College chapter of Kappa Delta Pi, national honorary fraternity, at a ceremony held in Wabwood Hall Jan. 7. Dr. T. S. Henry, head of the department of psychology, was the principal speaker. Election to this fraternity is made on the basis of scholarship, personality, leadership and potentiality in the field of education.

"Life" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, January 18.
The Golden Text (Amos 5:14) is "Seek good and not evil, that ye may live: and so the Lord, the God of hosts, shall be with you, as ye have spoken."
Among other Bible citations is that of Isaiah (Gal. 3:1): "For he that saith to his flesh shall of the flesh reap corruption; but he that saith to the Spirit shall of the Spirit reap life everlasting."
Correlative passages to be read from the Christian Science textbook, "Science and Health with Key to the Scriptures."

By Mary Baker Eddy, include the following (a. 27) "In proportion to his purity in any perfect, and perfection is the order of eternal being which demonstrates life in Christ, Life's approval and."

BUICK FIREBALL
VALVE-IN-HEAD
DYNAFLEX EIGHT

Pay as you drive if you wish

Yours in 48 hours -

New power for your BUICK!

Today's Power, Today's Performance, Today's Zip - For Buicks up to Ten Years Old!

Maybe this sounds too good to be true. But it's a fact!

Even if your Buick dates back as far as 1937, you can have a hoofful of factory-fresh Fireball power—a sleek new power plant that's the same as the engines going into the latest Buick cars.

Everything about it is brand-new. A new carburetor and air cleaner help make every drop of fuel give up all its power. A new distributor, complete with vacuum and centrifugal advance, puts new snap in your get-away and new pep in all driving. A whole new wiring harness prevents electrical loss. And tucked in the flywheel housing is a new smoothie of a clutch that'll make driving more fun than ever.

Yes, it's all new, with the latest Buick engine features you read about—like precision cylinder boring, Oil-Miser rings, Stratoflow cooling and so on.

You can get a new engine like this because engine production is not held back by the shortage of sheet steel which limits complete-car production.

So we're able to put one of these honeys into your car and make it young again

— give it new power and performance that will get you for thousands and thousands more carefree miles.

How much does it cost? Not nearly what you'd expect—often less than a comprehensive overhaul. And it's a mighty good investment because it makes your car worth so much more when it comes time to turn it in.

Nice proposition, isn't it? Surely worth talking over. Won't you come in and let us give you all the details?
