**Are You "Hobby" Bug?**  
Funny thing about hobbies...  
When Ed Cary started making  
a model of the "Flying Cloud," it  
was only to test his eyes for  
reading. But now he spends every  
moment ship modeling!

Some wives might have resented  
a husband suddenly shutting him-  
self in the attic every night. But  
not Ed's. Because when he found  
him working late, he brought him  
up some beer and crackers...  
...until finally Ed had her helping  
with the rigging.

**Our Printing Department . . .**  
Is not a side-line with the Eccentric as is the usual case with newspaper plants. Yes, the time was when this was true. But in the last 20 years the picture has completely reversed. Our newspaper volume is only about 10% of our total business. Our printing facilities are as extensive as metropolitan plants—it is only in location that we are suburban in character. The "suburbanness" includes, neighborly, friendly, information-buyer-seller relationships—alertness—yet calmness; personal attention—non-frenzied confusion.

**Church Delegates Attend Convention**  
Elected to represent Christ Church Cathedral at the annual Diocesan Convention held at St. Paul's Cathedral Jan. 28 were: Delegates: W. Woodard, R. Woodard, Robert Mosby, Edward A. Proctor; alternates: Lester L. Colbert, J. G. Gilray, William G. Crawford.

At this convention, a bishop co-ordinator for the Community House, announced that he had been invited upon Bishop Creighton's retirement, and other Church business was settled.

**NOTICE**
