Sports Showup

By George Burdick
The Eastern Michigan League's first annual swimming meet has been scheduled for Feb. 27 at Mt. Clemens. Hazel Park was selected as the site for the league's track meet June 2 while Port Huron will be host to the league's golf tournament.

Hugh Mack, star halfback on the '28 and '29 teams, has been wrestling as a heavyweight for the University of Michigan in place of Dan Dvorsky, though he weighs only 170 pounds. While competing in a meet with Illinois, defending Big Time wrestling champion, Hugh wrestled as a 175-pounder. The surprise of the meet happened when the ex-Magpie was thrown to the mat by a half Nelson and bar arm. He was pinned in 3:49. Michigan lost the meet, 12 to 12. A week later against Ohio University, Hugh threw his 209-pound adversary easily. Michigan won 29-0.

If basketball fans can remember the small gymnasium in which Dearborn played its games, then they will be happy to hear of the new gymnasium, opened with a capacity crowd of 1,400. At least when Birmingham goes to Dearborn, the fans as well as the players will have a little elbow room.

Chuck Murray, holder of the local scoring record at 210 points, is leading the Michigan freshmen in scoring to date.

Another Minstrel Show Planned for February 19th

By John Sheldon
Beat the drum for the bigger'n-better 1948 Minstrel Show! It's coming back to town Feb. 19 only, under the direction of Gerry Hughes, interactor. The show is back under the sponsorship of the 1948 Washington Group, which plans to raise money for the trip by selling tickets.

At least 60 boys expected to take part, with many acts not included in the original assembly held last month. Gerry Hughes is credited with the idea of an all-school show of this kind, and its great popularity brought it the status of a public performance.

Miss Dorothy Allen is assisting Gerry as general director; Miss Gladys Holloway is in charge of programs, and the ushers will be directed by Miss Janet Bainbridge and her staff is in charge of the "burnt cork."

Harold Newcomb will supervise ticket sales, Victor Ulrich is music director, and H. Ross Schreiner has supervision of the lighting effects.

Discuss Assemblies at Special Meeting Friday Afternoon
The Birmingham High School assembly club has been very busy this week and last with many activities.

A special meeting was called Friday afternoon at which possible assemblies for next year were discussed. These will be voted on at the next regular meeting when new officers take over.

For the three days of school this week all members of the organization became pencil salesmen. Because of examinations the pencils moved rapidly with nearly 1000 sold.
