Annual Dads' Night Program Set for Feb. 3

The Annual Dads' night program of the Baldwin Parents Teacher Association will be presented at the high school Feb. 3 at 8 p. m.

This program is for the fathers of all Baldwin students, both boys and girls, and the boys attending the high school.

The evening will open with group singing to be followed by the guest speaker, Maurice Guy of Saginaw. Guy is in great demand at father and son gatherings throughout the state and presents a very interesting and entertaining program. His topic for the evening will be Paul Bunyan stories.

A. S. McCall is in charge of the program and will be assisted by J. J. Meyers and Colin Campbell.

Eastern Michigan League Adds Swimming to Calendar of Sports Events

Something new has been added to the calendar of sports. For the first time in the history of the Eastern Michigan League, an all-league swimming meet will be held.

Up to this year Birmingham has been the only city in the six schools which has not had a swimming team. The meet, to be held at Mt. Clemens Feb. 27, will not count toward the all-sport trophy this year, but if all schools continue to have swimming teams, swimming will probably be made a league sport soon.

The only other meet on the team's schedule is the State meet March 6, but it is hoped a few practices with other schools can be secured before that date.

Times were taken last week and

By Phil Allen

up to Friday the only time which was good enough to qualify for the state meet was Bob Webster's. He swims back stroke and free style. Other free styler with fast times are Jack Adams, Carson Dalton and Dick Helgeson. Swimming headmaster is Steve Campbell and Don McClellan.

Hopes for winning the fancy diving lie in Bob Woodruff and Jack Goodwin. The divers have been seriously handicapped by not having use of an official diving board. One has been ordered and should be installed soon.

J. J. Myers, coach of the team, is planning to have an intra-squad meet some evening within the next two weeks so local swimming enthusiasts can look the boys over.

Baldwin Reserves Win Game, 40-34

By Bill Baldwin

Birmingham reserves continued the winning ways though they had trouble overcoming a determined Port Huron reserve team, 40-34, Friday night at Baldwin gym.

It was a fast-moving game all the way with both teams taking advantage of every opening. However, superior height under the basket gave the Maple reserves a decided advantage.

Soon after the game started, the Maples took the lead. Shooting with uncanny accuracy from all over the floor they were in front at half time by a score of 24-8.

The basket seemed to shrink in the second half and the Port Huron reserves gained rapidly, coming within two points of the Maples at the end of the third quarter. In the final start the Maple reserves regained their form and gradually pulled out in front to win the game.

BALDWIN HIGHLIGHTS

Hi, Kids!
The week end is over and we must put our noses to the grindstone for two and a half days until exams are over.

The high spot of the week end was the terrific basketball game with Port Huron Friday night. Cheering with the crowd we saw Ginny Schaffer, Belle McGinnis, Jo Kleiner, Kern McKay, Lynn Martin, Margie Theyer, Jo Olsen, Margie Horne, Guy Tannehill, Dick Purton, Pete Hartauff, Larry Young, John Parsons and Hap Koskorech.

Ping-Pong Tourney Now in Progress

"That backhand slam is what best hits me," is the type of talk used by the ping-pong enthusiasts as the Student Congress-sponsored tournament gets under way.

A committee with Bill Reid as chairman has been appointed to handle the tournament in which 36 boys entered. Larned Goodrich is faculty adviser.

The committee ruled that each contestant pay ten cents entry fee which will be used to purchase a prize for the winner. The victor is determined by a process of elimination.

Don McConkie, last year's champion, is again a favorite. Some other strong contenders are George York, Hank Price and Keith McIntire.

Girls' Glee Club Being Reorganized

Baldwin Girls' Glee Club, which meets every Wednesday afternoon from 3:30 to 4:30 in the music room of Hill School, is now being reorganized.

Any girl in the high school interested in joining the organization may do so by reporting to Hill School Wednesday after school.
