MICHIGAN Believes in Knowing the Latest in Health Developments

The more progressive a people, the more enlightened they wish to become on matters of health. That is the reason with to become on matters of health. That is the reason why Michigan doctors of medicine have pioneered in the educational use of radio to convey to the Michigan public the latest information on medical facts and discoveries. The "Tell" me, Doctor:.." 5-minute daily discourse carried by of Michigan's local radio stations is your medical most of Michigan's local ratio stations by your mental doctor's way of keeping Michigan people up to date on all the many developments in the medical world. Make it a point to listen to this instructive health program, daily.
