

Service Club Golf Tourney Aug. 11

Competition will be keener than ever before in the annual service club golf tournament this season. The addition of a new Kiwanis club in the city will add emphasis to the affair, which will be held again this year at Edgewood Golf Club on Commerce Lake Road.

The date has been set for Wednesday, August 11 and dinner will be served in the clubhouse following the tournament, according to Lyman J. Craig Jr., who is chairman of arrangements for the Lions, the host club.

The Lions Club is the defending champion and will be shooting for their third straight win. The large trophy which was purchased last summer will make an appearance at the tourney and will be held next year by the winning club.

Banquet in Evening
Usually about 50 golfers participate in the affair and with the addition of the Kiwanis Club forces, it is hoped that the field will include several more.

Many members of the four clubs will show up purely for kibitzing purposes during the golf sessions, but will be shooting par at the banquet table in the evening. Charlie Ross, proprietor of Edgewood, has promised another outstanding spread for the occasion.

Navy research and invention was focused heavily on increased power in the air during 1947. New planes added to the Navy's air arm include the Phantom, the Skyrocket, Pirate, Banshee, Panther and Skyrocket. Navy pilots and reestablished two world speed records. A carrier-based jet fighter squadron was formed. The Navy's progress in the air included also guided missile study, advances in radar, new jet fighters, high-speed tanks and higher octane fuel.

It's a Long, Long Way to Market

It's a long, long way to the grain elevators (arrow) for the cars of wheat in the foreground. Scene of this congestion is Port Worth, Tex., where local grain elevators recently took in over 1100 cars of 1948 wheat in a single day. This was the largest grain in the history of Port Worth markets.

Ritter Takes Over Lead in City's Softball League

In the Birmingham YMCA City Recreation softball league, Ritter's Pepsi Cola team defeated Campbell's Village Store 2 to 0 to take over the lead in the second half play.

Archie Rondeau of Campbell's gave up only two hits in seven innings but walked two men and hit a Pepsi batter in the first inning when Ritter's sent over both their runs.

Campbell's threatened in the seventh inning when a single and a fielder's choice put two men on base. But Bob Ripberger, on the mound for Ritter's, got Lacharrie to force Rondeau at second and Loveland filed out to end the game. It was Campbell Village Store's first loss of the season.

It's R&D-Day-O Time—Fish, That Is

Illinois Conservation Director Livingston E. Osborn releases the first prize fish, a big bass, into Nipponic Lake for the Illinois Fishing Rodeo. Mayor Arthur Amundson of nearby Fox Lake looks on. Hundreds of tagged fish are released for the contest, which runs until Sept. 15, and fishermen catching them collect prizes totaling \$54,000.
