

Chryslers Meet Best Pitching of This Season

By Bob Burgess
The Chryslers ended a brief stay in first place in the Southern Oakland County League by losing a 4-1 game to Jim Robbins Ind-

pendents last Friday. Hodges replaced the Chryslers in the league's top slot.
Bill McIntyre, Robbins south-paw held the Chryslers to five hits and only issued one pass while striking out five. McIntyre not only pitched a fine game for eight innings but he was his own best support with three line singles in four official trips to the plate.
McIntyre displayed a very tricky motion to first base and nicked Bill Eade, Chrysler catcher, of first in the fifth; although Eade

had only a very short lead. He was also his own best support in the field with six assists, including the start of the only double play made by his team.
Season's Best Pitching
George York, Chrysler pitcher, also pitched very nice ball allowing only two earned runs. He struck out seven and walked only three, but had the misfortune to be opposed by the best pitching seen by the Chryslers this season.
Robbins jumped off to a two-run lead in the third inning. The Chryslers finally hit pay dirt in the last of the eighth. Larry Cunningham hit a fly down the left field line which dropped for a double. George York advanced him to third with a long fly to center and he came home as Dick Costigan grounded to second base. Jim Ferns grounded to the pitcher to end the inning.
Robbins pushed across two more runs for safety in the ninth. Eade led the Chrysler attack with two singles in four trips. He was the only Chrysler to solve McIntyre's slow curve.

WHAT'S THE PRICE OF A BUICK?

7 out of 10 Guess Too High!

WE'LL admit that this husky two-ton honey looks like something super duper.

When you sample its ride, its handling and the silken liveness of its big Fireball straight-eight power plant, you are likely to ticket it in the near-luxury class.

So, naturally, when we put the question to a cross section of car-wise men and women — when we asked them to name their idea of the delivered price for a Buick SUPER — 7 out of 10 guessed too high!

The fact is that — in relation to today's values — Buick prices before at a lower level than before the war.

Dollar-wise, all prices are up — but Buick cars are not up as much as

most other things — or even as much as the cost of building them.

So don't jump to conclusions without a bit of shopping around. Get the delivered prices — not only on Buick but on others, too — including cars with far less power, far less left, far less room and far less distinction.

You'll find that a lot of folks are paying within a few dollars of the price of a Buick — or maybe more than the price of a Buick — and getting something that can't hold a candle to what a Buick has to offer.

You'll find that price comparison gives you another sound reason for getting your firm order in — particularly since your Buick dealer will take it with or without a car to trade.

Our Four-Square Selling Policy

- 1. NO PRICE PADDING.** We guarantee our prices to contain nothing but the charges which were standard practice in figuring per delivered prices. You receive an itemized bill of sale. And we display all prices in our showrooms.
- 2. NO "LOADING" OF UNWANTED ACCESSORIES.** All cars are delivered with accessories as ordered, and prices are figured to cover these. We pledge ourselves to add no "extras" except those each customer orders.
- 3. NO COMPULSORY TRADE-INS.** We will take your order and deliver your car without requiring a trade-in. However, we have many valued used-car customers we would like to supply and we will give you a fair and reasonable allowance on your present car.
- 4. NO COLLUSION WITH "GRAY MARKETERS."** We will not knowingly be a party to the sale of Buick cars to any individual who operates in the "gray market." Our only interest is to deliver new cars to bona fide customers.
