Village Store in Tie with Ritters for League Lead

Campbell's Village Store eased into first place tie with Ritters' Pepsi Cola team in the Birmingham YMCA-City recreation softball league by virtue of their 8-0-3 win over Cloheset and McCutcheon Monday night.

Campbell's combat Gene Richardson, on the mound for Cloheset and McCutcheon, for 15 hits including a home run over the left field wall by Al Larsen. Larsen drove in three runs and led the hitting on both sides with a triple, home run and walk in four times at bat.

Archie Bonneau held Cloheset and McCutcheon to three hits, all of which figured in the scoring.

Rejuvenated Bell Team
 Bayley-Caltrider played errorless ball in defeating Craig Sporting Goods and Appliances, 5 to 1, with Roger Reynolds scattering five Craig hits and striking out seven.

In their second game of the week, Bayley-Caltrider met a rejuvenated Michigan Bell team that snapped out of a four-game

losing streak and defeated the Blue and White, 2 to 5. Consistent good pitching by Jack Wade combined with a hitting attack that clicked with men in scoring position paved the way for Bayley-Caltrider's third defeat of the second round and tumbled them into the second division.

Suffer Fourth Loss
 Craig's Sporting Goods and Appliances came up with some good chukking on the part of Bill Sauer and sent Summer Motor Sales down to their fourth defeat by a score of 7 to 2. Dan Grig, playing first for Craig's, had two for four and played errorless ball in the field.

Games of July 22 were rained out and were scheduled to be played last night. Play-offs involving all seven members of the league starts tonight. A team continues in play until it suffers two defeats with the final remaining two teams playing a series of two out of three games for the championship.

The league standings at present time were:

Ritters' Pepsi Cola	W L Pct.
Campbell's Village	4 1 800
Michigan Bell	4 1 800
Cloheset & McCutcheon	3 2 600
Craig Sporting Goods & Appliances	3 2 600

We're building ONE EVERY 45 SECONDS

but that's not fast enough for America!

KAISER
FRAZER

In just two years we've built and sold more fine cars than any other new manufacturer in automobile history. Why? Because America fell in love with the KAISER and the FRAZER on sight. Folks are streaming into Kaiser-Frazer showrooms and learning from present owners how dependable these two great cars are. They're learning—from people who drive them—how soundly they are built, how economical they are, how much enjoyment there is in owning one.

THESE ARE THE MOST-COPIED CARS IN AMERICA, road-proved by 250,000 owners in two billion miles of driving. Because plenty of Americans insist on comfort, convenience, style and value, traditional leaders had to "move over" as Kaiser-Frazer became the fourth largest manufacturer of motor cars in the world in two short years. Why wait? Enjoy your new car this summer. You'll get fair treatment and highest trade-in allowance.
