Rondeau Pitches First No-Hitter in City League

The first no-hit game of the current YMCA-City Recreation Commission softball league was pitched by Archie Rondeau of Torry Field when he tossed a no-hitter against Bayley-Caltrider to give his team undisputed possession of first place in the league and an 8-to-0 victory over their closest competitors.

Rondeau had excellent support in the field and needed it as his teammates were only able to garner four hits of the stars of Roge Reynolds of Bayley-Caltrider; however, six errors behind Rondeau and some loose infield playing gave Torry all of their runs which were unearned.

Less Than Two Straight
Michigan Bell Telephone, which had been riding the top rung in the standings, not only were topped but lost two straight games as Bayley-Caltrider won, 13 to 2, and Rittler's Pepsi Cola led all the way as they downed the Blue and Gold, 9 to 4.

Lou Hagopian, pitching for Rittler's allowed only three hits, one of which was an inside-the-park home run by Jake Wade of Michigan Bell.

Cloheset and McCutcheon broke in the win column with an impressive 12 to 8 victory over Craig Sporting Goods and Appliances. It was a typical slug-fest with the Red, White and Blue team scoring 8 runs on 8 hits and a walk in the sixth inning.

Perfect Day at Bat
As Craig's went down in order in the seventh, they failed to put a man on base for the first time in any inning and hence blew their chances of tying the score.

Bike Station had a perfect day at bat for Cloheset and McCutcheon as he slammed out four hits in four trips to the platter.

Summer Motor Sales emerged from their hard-luck streak with an 8-to-6 win over Cloheset and McCutcheon and proved that they will be troublesome in the second round of play.

Torry Field made it four straight with an 8-to-1 victory over Rittler's Pepsi Cola. Again, Archie Rondeau proved his mastery on

the mound by limiting Rittler's to two scattered hits. One of these was a home run by Lew Pearsall which did not count as he was called out for failing to touch third base, having been detected in this oversight by Hugh Loveland playing the third sack for Torry.

Managers' Meeting Tonight
Only six more games remain before the conclusion of the first half play. All games postponed from June 7 will be played June 28 with Craig's Sporting Goods and Appliances meeting Torry Field at St. James Park; Rittler's Pepsi Cola takes on Cloheset and McCutcheon at Torry Field; and Summer Motor Sales plays host to Michigan Bell Telephone at Howarth Field.

All managers are urged to attend the meeting called for 8:45 p.m. tonight in the Birmingham YMCA offices, 139 West Maple. Final rulings on contracts, drawings for the second round and questions of administration of the league will form the order of business.

SENATOR KILOWATT SAYS:
"DOWN SOUTH . . . SOUTHEASTERN MICHIGAN THAT IS . . . MORE AND MORE OF MANY CONSTITUENTS ARE VOTIN' THE STRAIGHT TICKET . . . GOIN' ALL-ELECTRIC!"

It's a landslide, folks, a regular walkaway! Every precinct and every ward is all-out for electricity!
There's no mystery about these votes for volts. Electricity does literally thousands of jobs in homes—in factories—and on the farms. Most of us use it hundreds of times a day. It does these jobs quickly—easily—cheaply—dependably. In fact, electricity does most jobs far better than any other way!
Live electrically . . . and enjoy the difference!
