WALNUT LAKE NEWS

By NORINE McKAY
Phone: LONGACRE 5-2375

For the past three weeks there has been an unmistakable noise in the Walnut Lake kindergarten room. Must be that the School has added "Shop" to its curriculum—but—if so, what happened to the Kindergarten pupils ? ? ?

No, it isn't a class in shop for boys because there go some of the little ones in now. Let's see if this mystery can't be solved.

About three weeks ago, orange crates were seen going into the room. Then the children were asked to bring one of dad's old shirts to school. This is when the noises first began. You could hear the sound of busy hammers in accompaniment to the saws. Occasionally there was a definite silence always followed by more hammering and sawing.

Mrs. Flora White, the kindergarten teacher, is now willing to confess. Since the children were so eager for a playhouse, she assisted them in making and painting the furniture for it. Results . . . a chair, settee, refrigerator, and corner cupboard.

The shirts were converted into smocks by putting them on backwards, which did much to keep the small frys' clothes from accumulating most of the paint.

Now the much longed for playhouse is not just a dream, thanks to Mrs. White . . . and those industrious little carpenters and painters.

The Samuelson Trophy, coveted award in the Southern Area of the Oakland Circle District, Boy Scouts of America, was awarded to Walnut Lake Troop No. 41 at the Area Board of Review held at Bond School, Farmington, Wednesday, May 26.

This beautiful trophy, donated by Farmington business men, is awarded on the basis of the greatest percentage of advancement in an individual troop in the entire Southern Area.

By completing merit badge requirements in music and athletics, Scout Lee Hanson of Troop No. 41 increased his total of merit badges to 26, which entitles him to add a Bronze Palm to his Eagle Scout badge.

Among other Boy Scouts receiving awards were Kirk Lewis and Thomas Snyder, Troop No. 41, who received their First Class ranks.

Men from Walnut Lake who assisted in the Board of Review were Area Commissioner Burton F. Bingham, Troop Committeeman Hector McDougall and Lee D. Hanson, chairman of advancement of Oakland Circle District.

Scoutmaster Phillip Emrich of the winning Troop No. 41 is planning a special hike as a reward for their victory.

Mrs. Edson Stevens of Walnut Lake road will be hostess for the meeting of the Brownie and Girl Scout mothers and the troop committees on Friday, June 4, from 2:00 to 4:00 p.m. Tea will be served following the business meeting. A special invitation is extended to all Brownies to visit the gardens they planted earlier this spring and to see how those gardens are growing.

The final bridge lesson of the Walnut Lake Women's Club bridge group was held at the home of Mrs. Louis Knoeke on Putnam drive last week Wednesday evening. Mrs. Martin Wade had the highest score and Mrs. Margaret Woodman held the highest rating in the written quiz. A gift was presented to Mrs. W. E. Kendall, the club's instructress, for her efforts during the past year. Mrs. Knoeke served dessert and coffee to round off the evening.

Mr. and Mrs. Henry Jokela of Sunnycrest drive held a family reunion at their home over this past weekend.

Last Thursday marked the "fly-up" of a number of Brownies to the Girl Scout Tenderfoot division. The new Tenderfoot Girl Scouts are Frances Cady, Ellen King, Patty Nyberg, Sheila Minoch, Norma Sinclair, Beatrice Snyder, Sue Carey and Lynn Granger.

The Women's club made a festive occasion of the ceremony by serving delicate sandwiches and lemonade.

The new scouts were given a breakfast cook-out last Saturday morning at the Walnut Lake Clubhouse sub-division one by their new troop friends.

Mrs. Bart Cady conducted the activities in the absence of the scout leader, Mrs. W. E. Kendall.

Mr. and Mrs. Stewart Schultz, Sr., of Walnut Lake road were hosts at a Sunday evening dinner to Mr. and Mrs. Kenneth Chapleau and Mr. and Mrs. William Willig of Hindsale, Ill., and Mr. and Mrs. Warren Todd of Plymouth, Mich.

On Wednesday, June 9, there will be a PTA roundup for all prospective kindergarten students and their parents.

Reginald Smith of Euclid drive, is serving as chairman for the event.

Paul Carter and a nurse from Birmingham will be out to acquaint the parents with the importance of good health in the new young pupil.

All parents are urged to attend as it will be to their advantage to hear about the kindergarten workings.

Members of the Walnut Lake Estates, Inc. are using all their spare time to beautify their beach and clubhouse. Memorial weekend was used to clean up the clubhouse grounds, tear down old buildings and apply some much needed paint.

Mr. and Mrs. William Unsworth and their son Terry of Edgewood boulevard attended a Memorial family reunion in Hamilton, Ontario. They visited Mrs. Unsworth's mother, Mrs. Elizabeth Wood and went up to Mr. Unsworth's mother's summer cottage at Winona on Lake Ontario.

Candy-for-England Is Easy by New Method

Howard Vair, owner of the Vair-E-Best Candy company in Highland Park, announces his new plan whereby friends and relatives in this country may send candy to any part of the British Isles, tax and duty free.

Working through two large British manufacturers, Vair's Highland Park plant accepts orders for candy and relays them to one of these concerns. Delivery is guaranteed to any section of the Isles within 10 days of the receipt of order. Aside from the convenience of the plan, the sender is sure the recipient is receiving candy which is fresh and not damaged by a long shipping period.

Vair said that his plan was being used by many veterans who spent some time in the Isles and made friends there whom they like to remember. Vair pointed out that one six-pound order is as much sweets as a Britisher could possibly buy himself over a period of eight months.
