## Easter 1948

What a thankful time, with so many things that worried us in the background. A period of rejoicing and a return to a sort of carefree existence when gifts at the breakfast table can be enjoyed in full.

A gift for Mother or Dad, a gift of books for the children (oh, what a precious gift this can be) even a gift certificate, if you are not certain as to what to give, will bring great pleasure. It is just like a surprise package at the church fair.

We are ever ready to help you choose or suggest any number of gifts from our bountiful collection, which we have chosen with your particular needs in mind.

Appropriate tidings for the season are always used
