# 25TH ANNIVERSARY

**T**WENTY-FIVE years ago the Wilson Drug Company started in Birmingham, purchasing the business of James W. Cobb, located at 104 South Woodward Ave. It was in what was then known as the Johnson-Shaw Building. In 1930 the business was moved in 163 North Woodward Ave. and in June of 1935 to the present location at the corner of Woodward and Maple. Starting as a partnership, it is now owned solely by Ralph A. Wilson.

Since 1923 we have seen vast changes and growth in the business and residential areas of Birmingham. Our store has attempted to keep abreast with these changes through the years, ever adding to the facilities, services and personnel; providing the utmost in a modern pharmacy for this community.

In the years that lie ahead, we pledge our continued vigilance towards furnishing the maximum in quality pharmaceuticals, toiletries and sundries, combining them with earnest efforts to serve our patrons with progressive drug store methods.

### ATHLETIC AWARDS ASSEMBLY

Barnum School recognized its cheerleaders, basketball team and girls' B-Hi Club at an assembly last Thursday.

Miss W. Robinson, principal, introduced Lloyd Cooper, Baldwin's basketball and track coach, who talked to the students and emphasized the importance of being a student as well as an athlete. "A team member must also be able to get along with other members of the team and with opponents and officials. They should always act the part of an outstanding citizen as others will always look up to them," Cooper said.

Miss Verna Hanke, girls' physical education teacher, presented awards to the cheerleaders. Each year eighth grade cheerleaders receive the coveted school "B" with the understanding that they will serve wearing their letters in the 9th grade.

High Loveland has been the sponsor of the boys' 'homeroom' basketball teams. There are three leagues, one for each grade 7-8-9. Each team has played every other team in the league and play-offs are being arranged for next week. Eighteen teams are entered in the leagues and they play two games every night after school before the varsity practices.

Coach Fred Gibson presented letters and certificates to his undefeated varsity team. The boys to receive awards were Jack Barton, Charles Ganley, Matt Malarney, Tom Tracy, Donald Halpin, Arthur Fairbanks, Paul Phillips.

### Big Beaver High to Compete in Forensic Contests

Big Beaver High School is one of 215 Michigan high schools which are competing in forensic contests sponsored by the Michigan High School Forensic Association, Lawrence W. Grosser, manager, has announced.

The Forensic Association is an agency of the University of Michigan Extension Service and sponsors debating activities in Michigan high schools as well as the forensic contests in oratory, declamation, and extemporaneous speaking. This year 125 high schools participated in debate contests which will culminate April 23 with the state championship debate at the University.

Each school participating in oratory, declamation and extemporaneous speaking will contest a trophy contest to select a winner in each activity before March 19. These winners will be eligible to participate in district contests which will be completed by April 16. District winners in turn may enter the regional contests, to be held on or before May 14. There is no state contest in these events.

District winners will receive a Webster's Collegiate Dictionary with the contestant's name printed in gold on the cover.
