

WHY...

Should Your Food Cost More on Monday And Tuesday Than On Friday And Saturday?

A&P Sees No Good Reason

Why should a Monday shopper pay more than a Saturday shopper? Why should you be penalized on Tuesday for the shopping you do on Friday? Why should identical items cost you more the early part of the week than they do the latter part? We agree with you... it just doesn't make sense. We believe that every shopper is entitled to the best possible food values EVERY day. So we never juggle prices at A&P... never mark a few things down once or twice a week and make up for it by marking other things up the rest of the week. Instead, we keep ALL prices as low as we can ALL the time. Result? ANY day is a good day to shop and save at A&P. Try it and see!

Alpha Xi Delta Plans June Picnic

The Birmingham alumnae group of Alpha Xi Delta sorority met Monday, May 10, at the home of Mrs. Gordon Reynolds of Pontiac. Plans were made for a picnic which will be held June 21 at the Pontiac Yacht Club.

Mrs. Wilma Jena, province vice-president, spoke to the group about the national chapter and the national convention.

Dessert was served following the program.

The bride chose a white satin colonial style gown with a bustle and train. Her fingertip veil was held in place by a laurel of tulips, and she carried a corsage of white roses and lilies of the valley on a prayer book.

Mrs. O. B. MacIssac of Pontiac acted as matron of honor and Mrs. S. Wood (the former Nancy Burns) of Silver Springs, Md., was bridesmaid.

They wore matching gowns in aqua and pink tulle, with a halo of carnations in their hair and carried colonial bouquets of sweet peas and crushed carnations.

Mr. O. B. MacIssac served as best man and Robert Pettit of Pontiac acted as the groomsman.

After an evening reception in the Community House, the couple left on a wedding trip to Washington, D. C.
