Final Details Being Completed for Dance Friday

By Bill Lewellen

A bit of old Mexico is coming to Birmingham high school tomorrow night in what promises to be one of the most unusual dances of the year.

This year's spring dance, the "Serpae Serenade", will set a new high in a long list of successful dances presented by the student congress.

The setting for the dance, based on a Mexican theme, is laid in a village square of an old Mexican town surrounded by many gaily colored booths where successful dances presented by the student congress.

In Mexican Style

Surrounding the floor will be booths sponsored by various school clubs, all in the Mexican style, featuring such events and novelties as turtle races, small souvenir paddles, photographs of the dancers, flowers, etc.

Some of the key organizers of this year's dance are Pat Shiner, Whiteleaf and Guy Tunnell, co-chairmen of publicity; George Allen, tickets; and Nancy Jacobi and Martha Miller, chaperones.

With final arrangements now being completed, the "Serpae Serenade" is sure to become another wonderful memory for Birmingham students.

Elected President

Recently elected president of the Detroit Schoolmen's Club at a Saturday breakfast meeting was Donald Murphy of Tibury road.

Groups will meet during the day, and a panel discussion tonight at 8 o'clock will climax the program.

On the panel will be Mrs. Peter B. Loomis; Dr. Eve Schlecte of Rochester; Virginia Reinhart and Gerry Neuman, Baldwin seniors; Dr. Glenn Frye of Benton Harbor; Dr. Claude Uhler, director of the Cinton Valley Children's Home, and Boyd Walker of the Detroit YMCA. Superintendent of Schools Dwight B. Ireland will act as moderator.

The daytime program will include discussion groups on these eight subjects: "What is the basis for a happy marriage?" "What is the attitude of the Christian church toward marriage?" "What
