Just as the 1948 Cadillac differs from all other cars in the character of its quality and performance—so does it differ in individuality of appearance. More than ever before, Cadillac's inner goodness is now being mirrored in its outward beauty. You can actually see the degree of Cadillac leadership as the car flashes past on the highway. As a result, thousands who have not previously aspired to Cadillac ownership are deciding to make Cadillac their next motor car. Orders placed with dealers in the past few months have broken all records in Cadillac's long history of public approval. Have you seen the new Cadillac's If not, you are welcome to call at our showrooms at any time.

# Paid ... IN FULL

Henry Clay at one time owed \$10,000.00 to a bank in Ken-tucky. A number of friends, knowing that this debt weighed heavily on his mind, secretly raised the money and paid off the debt.

when Mr. Clay later came to the bank to discuss his financial status, the cashier startled him by saying: "Mr. Clay, you don't owe this bank a cent! A number of your friends have paid off the debt! Your account has been paid in full!"

What a striking illustration of the central fact of the Christian faith! "And you, being dead in your sins," says Paul, "hath He quickened... having forgiven you all your trespasses; blotting out the handwriting that was against us, nailing it to the Cross of Christ,"

'Paid in full!' That is the essence of the Gospel.

"Completely forgiven through the sacrifice of Christ!"
That is the divine receipt of heaven which the Christian
Church has been commissioned to proclaim. You will
find this a message of comfort and of life.

This statement of Christian belief is brought to the citizens of this community as a public service by the members of Redeemer Lutheran Church, 1800 West Month Assense.
