CAROUSEL

Sincere Best Wishes and Congratulations to Carousel and one of the finest couples it has been our pleasure to meet for a long time.

One of the few pleasures left to what were Americans is the restful eating of good food.

With the upset condition of our great Nation, its planned confusion and supine acceptance of this condition by the people, it is little wonder the intelligent people appreciate the right to dine in comfort and peace and forget and disbelieve those active brigands known as politicians who betray us. There is little Freedom left to us unless we seize it and use it. It is a great feeling to have real Freedom since the Nation has adopted foreign and alien concepts of servitude.

Col. Fedor Maybohm and Mlle. Joyce we have found most honorable and capable. Their every spoken and written promise has been lived up to, which is a refreshing surprise to an old gentleman who has seen a great deal and is considered an easy mark.

Do come and see us when dining and remember you are always welcome. Just be natural and forego any affectations as we are tired of people who try to be what they are not.
