"June Fair, June Five" To Have Color and Variety

By Doris E. Kus

If anyone is missing one month's edition of their favorite magazine, the University of Birmingham alumnae association of Birmingham will probably have it on hand when members open their book and magazine booth at the University of Michigan Fair.

The event is scheduled for Saturday, June 5, in the Woman's Building at the State Fair Grounds.

Mrs. Robert Watt of Yorkshire road, is serving as chairman of the alumnae council. She and Mrs. L. B. Sappington are in charge of arranging the Birmingham booth and plan to specialize in children's books.

The Fair has been designed so that all suburban areas and other cities throughout the state may be represented by their alumnae clubs.

All booths and concessions will be open to the public when the Fair opens at 10:00 a.m.

The decorations will have a festive air with yellow and blue balloons decorating the booths and in clusters around the columns upstairs and on the ceiling of the ballroom.

The woodwork will be decorated with flower motifs. In the ballroom maps of the Ann Arbor campus with emphasis on the memorable spots will be placed on the walls. The French doors of the room will be framed with the names of favorite campus events such as the Michigan, J-Hop, Senior Ball and Junior Girls' Play.

Luncheon will be served all alumnae guests at 12:00 o'clock on the second floor. Reservations may be made with Mrs. Ernie Miller, of San Juan Drive.

Dance Planned
At 7 o'clock in the evening Michigan alumnae and their guests will again get together for a real Michigan reunion and dance in the ballroom.

The reunion will bring back reminiscences of former college days and those good old Michigan songs.

The composer of "Varsity", J. Fred Lawton, will be the master of ceremonies. Don Chown of WJ will lead the group in songs and Henry Morton is to be the pianist.

A miniature Pretzel Bell straight from the University of Michigan campus will be set up on the dance floor. Mrs. James Black and Mrs. Henry Bleeker are co-chairmen.

Arthur Murray dancers will also entertain the group with a "Cavalcade of the Dance", depicting the

Members of the Newcomers' Club will meet for luncheon at the Community House today at 12:30. Mrs. F. C. Garrison will speak about South America where she has spent many years in Buenos Aires, Rio de Janeiro and in Chile. She is president of the Birmingham League of Women Voters.

Another feature of the Newcomers' luncheon will be the collection of worn clothing for the unfortunate French people of Indochina. Mrs. Richard T. Hatch and Mrs. Theodore Ludwig will play for the club.

The Cotton Frolic, the club's first dance, will be held on Saturday, June 5, at the Community House. Tickets for the affair have been in the mail for some time. Those who plan to attend are requested to remit the admission price at their earliest convenience while those unable to attend are requested to return the tickets.

Don Freston's band will play for the Frolic.

For those Newcomers unfamiliar with the full advantages of the Community House, the staff wants to announce that they can provide a list of reliable baby sitters.

Spring Roundup Enrollment Dates Set by PTA Groups

Dates for the national PTA project which is known as the Spring Round Up have been announced.

June 2 has been set aside for the Quarton PTA program; Barham follows on June 3; Adams PTA members have completed their arrangements for June 4; Pleasant Village will have June 7; Jerree PTA plans have been made for June 8; Franklin is set for June 9 and the Walnut Lake program will be on June 11.

All programs will begin at 2:00 p.m.

Successful in Birmingham in previous years, the Round Up gives each child an opportunity to visit kindergarten and to become accustomed to the school life which will begin next September.

All children entering kindergarten are to be enrolled in classes at the time of the Round Up. Mothers are urged to bring the child's birth certificate with them.

A program is planned during the afternoon of the separate dates set aside by each PTA group, and all mothers with children entering kindergarten this coming September are invited to attend this program at the school in their districts.

Anyone wishing further information may call the school in their neighborhood.
