Things have happened in gifts, too.

The contemporary home gifts we are showing ...

And yet there is no other one-word description so apt.

Like the motor makers, we at LaBelles have wait- ...

ed; for years we considered bringing you what was once ...

termed "modernistic" (remember?) but we just could ...

not bring ourselves to it.

But now, after all the growing throes of earlier ...

days (and ugliness, in our opinion) of financial things ...

we now believe you will completely agree that today's ...

Modern, like this year's motor cars, has taken such a ...

long stride that it's here to stay, and enjoy!

And so we have brought to Birmingham a show- ...

ing of contemporary home gifts which are at once func- ...

tional ... and Modern ... and truly beautiful.
