SO MUCH FROM SO FEW!
Only two-fifths of the population of the United States are members of a Christian Church. Yet we read recently that these two-fifths—
Furnish four-fifths of our college students;
Three-fourths of our home owners;
Nine-tenths of all givers to charity;
And almost 90% of the outstanding leaders in public life.
This is not surprising, for whatever makes a man a good Christian makes him a good citizen and a good neighbor.
People who have found their place in heaven through faith in Christ, will also find their place on earth—and will fill it conscientiously. Jesus says of His followers: "Ye are the light of the world; ye are the salt of the earth."
This message is brought to the citizens of this community as a public service by the members of Redeemer Church, 360 West Maple Avenue.

Edwin F. Kirbert to Speak at First Baptist Church
On Sunday, May 30, the First Baptist Church will have a pulpit vacant in the absence of the pastor, Dr. Leland A. Stack, who will preach. The visiting speaker will be Edwin F. Kirbert, secretary of the Birmingham YMCA.
In keeping with the spirit of Memorial Sunday, Kirbert has chosen for the topic of his message, "Let Us Forget."
The choir will sing under the direction of Mrs. Esther Turner. The title of the anthem is "Hymn of Freedom" by Thimian.
Kirbert and Rev. Kozak are friends of many years standing. They had contacts with one another over a period of years, first in Cincinnati, Ohio, and later in Chicago, Ill.
The morning worship service begins at 11 a. m. and the public is invited.
At Convention
Rev. and Mrs. Emil Kozak are absent from this city this week attending the sessions of the Northern Baptist Convention. The convention will attract several thousand delegates to Milwaukee, Wis., from over seven thousand churches in 32 states.
Highlights of the denomination's work during the past year will be presented and plans for the current year will be adopted and promoted. Prominent speakers from the Baptist and other denominations will make addresses.
A special feature will be the 100-mile trek of more than 4,000 members to Green Lake, the national summer conference center.

Attends Reunion at Bible School
Nearly a thousand alumni and former students of Moody Bible Institute gathered in Chicago recently for their first annual homecoming. The inauguration of President William Culbertson, open house, inspirational messages by Christian leaders, and an alumni banquet highlighted the homecoming program. Climaxing the affair was an exclusive, premier of "Voice of the Deep," Dr. Irwin A. Moon's newest color motion picture linking science and religion.
Among the guests, who came from 19 different states, was Harold K. Stephens, 884 Riverchase. Stephens was graduated from the school in 1939.

To Visit Ford Plant
A conducted tour of the Ford Motor Company's Dearborn plant will be taken tomorrow by the auto mechanics classes.
This field trip is made annually by Maynard Moti's classes to see how cars are made by mass production. Ford sponsors these trips as part of its good will policy.

LUBRICARE—tailor-made lubrication for Buicks

It's lubrication made to measure for your Buick by the engineers who built the car—with lubricants carefully chosen for just one reason: they are best for your Buick.

Men who know Buicks thoroughly see that all the different points that need it are properly supplied with exactly the right kind and right amount of lubricant.

You're away knowing your car is protected and set to roll smoothly and dependably with lubrication that has been matched to the mileage you have driven.

SEE YOUR BUICK DEALER REGULARLY FOR LUBRICARE

No wonder you grin! There's that zoom again—that go—that flashing spirit that you know is built in Buicks. There's that split-second answer to your call for power, the feather-light response to your finger that makes your two-ton honey handle like a baby buggy.

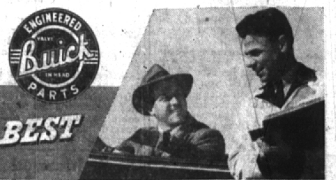

This is what happens when a Buick is cared for by men who know Buicks best—men who know the height of spirit a Buick can reach and how to bring it out.

Buick men have a way with Buicks no one else can have. That's only natural. Whatever they do, they do as the designers and builders of Buick say it should be done. They use Buick-approved checks and tools. And when

time and miles finally take their toll in wear, they have right at hand a stock of Buick-engineered replacement parts.

Wheel in and they'll sweeten your engine to bring out all its surge and go. They'll steady your car's easy gait and make steering limber. They'll even take out your worn engine and give you new-car zing and power with a factory-fresh Fireball.

See for yourself. Bring your car in and get real, understanding Buick car care. You can't buy it anywhere else—and job for job it doesn't cost you a penny more.

LOOK to Greyhound first for DEPENDABILITY

Few other traits of character are as important in a man or a company as dependability. It is doubly important in a public transportation service.

Greyhound is fully alert to the fact that the communities of this area depend heavily on the continuous flow of modern, local Greyhound service. Keeping and improving this high standard of operation is Greyhound's number one job.

The priceless experience gained in bus pioneering and development has given Greyhound people the "know how." Their sound understanding of inter-city transportation problems has enabled them to build, right from the start, an expanding, ever-better brand of bus service. Today or tomorrow, you can go where you want to, when you want to, by Greyhound. That's dependability.

For the best in bus service . . . count on Greyhound.
