League Plans a Folder Revision, New Directory

Newcomers to Birmingham will be presented with a revised folder, "They Represent You" which is prepared by the local League of Women Voters. It will list all national, state, county and city officials and the manner in which to address them. Distribution will be made through the Chamber of Commerce. Copies will also be given to all League members and contributors.

The decision to reprint the booklet was made at the League's board meeting Monday, Nov. 8, at the home of Mrs. Graham Shinnick. Also, since many new members have joined the organization, a new League membership directory will be printed under the direction of Mrs. Brooks Marshall, membership chairman.

The League will have an exhibit of its various publications, at the Newcomers reception in the Community House Nov. 17 with Mrs. F. G. Garrison, Mrs. Graham Shinnick and Mrs. Brooks Marshall acting as representative hostesses for the League.

Mrs. William Selmeier and Mrs. R. E. Kutz are have been appointed to the board of directors, it was just announced.

In order to bolster the League finances, it was decided at the board meeting to schedule for this spring a speaker who will talk on a pertinent subject of interest to local residents. Following the meeting, tea was served with Mrs. Charles Shain presiding.

The male chorus received calls for encores and the "end men" responded by singing and strutting in true minstrel style. The children in the front rows were especially appreciative of the minstrel's gay red and green costumes.

Pictures Will Be Taken at Open House Tonight

Group photographs will be taken in each classroom at Adams school during the Open House tonight so that the school children will have a pictorial record of their parents' classroom visit.

Since most of the children are in bed at that time, the Adams PTA has arranged this feature to permit the students to share more fully in the Open House activities. The pictures will be displayed in the classrooms early next week.

The annual Open House will be held tonight with an assembly in the school gymnasium at 8:00 p.m. During the evening, visits will be made to classrooms where teachers will explain the work done. Displays of children's schoolwork will be viewed.

Another new attraction will be rewordings of actual classroom activities. These "candid microphone" recordings will be accompanied by photographic slides and will give parents a quick idea of the daytime classroom work.

Ruth Shain Class to See "The River"

On Nov. 16, the Ruth Shain International Belknap group will divide the class hour into two parts. From 10:15 to 11:15, there will be a showing of the Pare Lorentz documentary film, "The River". The coat at left, designed by "Kotikov of Gorky" in the Kremlin-approved style for Russian women this fall.
